

“Hear Our Stories” at Arvid E. Miller Library-Museum

We welcome you to stop by and see and hear our elders telling their stories. With the background of traditional oral history a new dimension has been added – actually being able to see our Elders talking about their lives and the lives of their families.

Thirty-eight (38) videos featuring forty-one (41) of our esteemed Stockbridge-Munsee Elders, plus another video entitled “We are Still Here” which is a compilation of all those filmed, are available to be shown at the Arvid E. Miller Library/Museum by calling the Librarian at 715-793-4834.

We hope you will come to watch and listen as these Elders include their wisdom, humor, and advice to the next generations as they respond to questions about their lives. This is great opportunity to get to know these Elders better as well. You’ll laugh and you might even cry. Here are the Elders we are featuring:
