

## REQUEST FOR CUSTOM ARTWORK/GRAPHICS

The Stockbridge-Munsee Community Environmental Department is requesting submissions from local artists, or graphic designers to create a series of icons for a web based story map focused on the program's water quality efforts. The icons will consist of a variety of plants, animals, wetland functions and ideally have designs indigenous to the Stockbridge-Munsee Community or other indigenous design incorporated into them. Content of the story maps are still being developed, but the artist will be included in the story map planning and upon completion of the planning stage will be given a specific set of deliverables, dimensions, and specific format. Price for services is negotiable, based on agreed deliverables and format.

Interested parties can submit a sample of artwork via email to [angela.waupochick@mohican-nsn.gov](mailto:angela.waupochick@mohican-nsn.gov), or send a hardcopy to;

ANGELA WAUPOCHICK  
STOCKBRIDGE-MUNSEE COMMUNITY ENVIRONMENTAL DEPARTMENT  
N7689 KOAN TUK ROAD  
BOWLER, WISCONSIN 54416

ALL SUBMISSIONS SHOULD BE RECEIVED BY MARCH 24<sup>TH</sup>, 2017.

A weblink has been included below, within the story map is a wetland function section and provides an example how these icons will be incorporated into the story map.
