## Youth Education Covid Safety

### **Social Distancing**

As recommended by the CDC, all youth will remain at a minimum of 6 feet apart during their participation with the Youth Education Program.

### **Masks**

As recommended by the CDC, all youth will be required to properly wear masks, over their mouth and nose at all times during their participation with the Youth Education Program. With exception of snack and lunch time. Masks supplied in each youth clean up bins.

### **Handwashing and Sanitizing**

As recommended by the CDC, all youth will be required to wash their hands for a minimum of 20 seconds before and after consuming food, during lunch or snack time, bathroom breaks, and if youth happen to touch other youths' supplies.

Signs will be displayed in each classroom about the safety of masks, social distance, handwashing and sanitizing.

### **Ventilation**

Window will be slightly opened in all classrooms. Doors will be left open. Safely secure fans will be placed in the windows to blow potentially contaminated air out and pull new air in through the other open windows and doors.

Air cleaners will be placed in each classroom to enhance air cleaning.

### **Respiratory Etiquette**

1. Cover your mouth and nose with a tissue or your upper sleeve when you cough or sneeze
2. Do not cover your mouth or nose with your hands when you sneeze
3. Always place your used tissue in the waste basket
4. Frequently wash your hands with soap and water or clean with alcohol-based hand cleanser.
5. Use hand sanitizer every time you touch your mouth of nose.

### **Screening Test**

Screening tests will be done every day, will follow up with the Stockbridge Munsee Health Wellness Center to get the correct questions.
