NOTHING CONTAINED IN THIS DOCUMENT IS INTENDED TO CREATE A CONTRACT (EXPRESS OR IMPLIED), OR ANY OTHER LEGAL RIGHT OR REMEDY OR OTHERWISE TO CREATE LEGALLY ENFORCEABLE OBLIGATIONS ON THE PART OF THE STOCKBRIDGE-MUNSEE COMMUNITY OR ITS EMPLOYEES. UNLESS EXPRESSLY DELEGATED BY THE STOCKBRIDGE-MUNSEE TRIBAL COUNCIL, ONLY THE STOCKBRIDGE-MUNSEE TRIBAL COUNCIL HAS THE AUTHORITY TO ENTER INTO AN EMPLOYMENT AGREEMENT OR ANY AGREEMENT THAT MODIFIES THE POLICIES CONTAINED IN THIS EMPLOYMENT MANUAL. ANY SUCH MODIFICATION MUST BE IN WRITING AND MUST BE AUTHORIZED BY THE TRIBAL COUNCIL.

THE STOCKBRIDGE-MUNSEE COMMUNITY EMPLOYER PHILOSOPHY

The Stockbridge-Munsee Community is a federally recognized Indian tribe, which means that it is a separate and unique political entity, empowered to make and enforce its own laws, subject to federal or state laws only where Congress has expressly determined that outside laws should apply or where the courts have so interpreted congressional intent. Those who are employed by the Stockbridge-Munsee Community need to be aware that in addition to providing a safe and pleasant working environment for its employees, one primary objective of the Stockbridge-Munsee Community as an employer is to provide services and sustained economic growth and development for the Stockbridge-Munsee Community.

The Stockbridge-Munsee Community believes in keeping its employees fully informed about our policies, procedures, practices, benefits, what employees can expect from the Stockbridge-Munsee Community, and the obligations assumed as an employee. All employees are expected to become familiar with our policies, procedures, practices and benefits. This Employment Manual is intended to provide employees with basic information. The policies and procedures described in this Employment Manual reflect a great deal of concern for the people who make it possible for the Stockbridge-Munsee Community, as an employer, to exist...its **employees**.

Our employees and their welfare are very important. Our success is built on the recognition of the skills and efforts made by each employee. It is our policy to work with all employees in a fair and friendly manner and to treat each employee with dignity and respect. The goal of the Tribe is to provide a positive work environment where employees are responsive and respectful of each other, and to the people they serve. Every employee of the Stockbridge-Munsee Community is expected to greet and service visitors and each other in a respectful, courteous, friendly manner so that people feel welcome and enjoy visiting us and enjoy working here.

While we are proud to extend equal employment opportunities to all qualified applicants, the Stockbridge-Munsee Community reserves the right to exercise tribal employment preference in employment. The Stockbridge-Munsee Community employs several hundred people in several divisions. Each of these divisions plays a very important role in the Stockbridge-Munsee Community.

The Stockbridge-Munsee Community is growing and changing and thus reserves full discretion to add to, modify, or delete provisions of this Employment Manual at any time. Human Resources will attempt to furnish current information regarding the status of any particular policy, procedure or practice, through a payroll distribution notice as well as postings on employee bulletin boards and email notifications.

Nothing contained in this Employment Manual is intended to create a contract (express or implied), or any other legal right or remedy or otherwise to create legally enforceable obligations on the part of the Stockbridge-Munsee Community or its employees. Unless expressly delegated by the Stockbridge-Munsee Tribal Council, only the Stockbridge-Munsee Tribal Council has the authority to enter into an employment agreement or any agreement that modifies the policies

contained in this Employment Manual.

Any modification to this Employment Manual must be in writing and must be authorized by the Tribal Council. However, this Employment Manual shall at all times be interpreted and applied consistent with applicable laws and the organizational structure of the Tribe.

This Employment Manual describes the employment policies of the Stockbridge-Munsee Community. These policies regulate the employment relationship between the Tribe and its employees, but do not have the same force and effect as applicable laws. In addition, the Tribe has additional procedure documents that address the step-by-step operational process of how these policies are applied. Significant permanent changes to such procedure documents require the approval of the Tribal Council.

Descriptions of various fringe benefits are summaries only. Should the descriptions in this Employment Manual differ from any formal agreement or document involved, the formal agreement or document shall be considered controlling. Similarly, certain departments and divisions may have specific policies and procedures that are applicable to the department or division. If there is a specific policy or procedure that conflicts or differs from this Employment Manual, the specific policy or procedure that conflicts with or differs from this Employment Manual, the specific procedure or policy should be controlled.

The policies, procedures, practices, and benefits described replace all earlier written and unwritten ones.

We will devote our best efforts to conducting business with an atmosphere of harmony and opportunity for all employees. If an employee has any concerns with work-related issues, the employee should bring the issues to the attention of his or her immediate supervisor.

INTRODUCTION TO THE NATION

Origin and Early History

Mohican history says that a great people came from the North and the West, crossing the waters where the land almost touched. It is said they were looking for a place where the waters are never still, like the land from which they originally came. Upon arrival in the East, the Muh-he-con-ne-ok, or Mohicans, settled along the Mahicannituck River and lived there for thousands of years before the arrival of the white man. They lived in harmony with the seasons and found everything they needed to live a good life from the abundance that Mother Earth provided.

In 1609 Henry Hudson, a trader for the Dutch, sailed up the Mahicannituck into the land of the Mohicans. Relations between the Mohican people and Hudson were friendly. It was not long before a trading post was set up along the river where trade for beaver and otter furs began with the Mohicans and other Native people. More and more Europeans began to arrive in the Mohican territory, and soon the Mahicannituck came to be called the Hudson River.

The lives of the Mohicans began to change. The people, who had traditionally depended only upon themselves and what Mother Earth supplied, began to depend on white people and what they could provide. The lands which they had freely used began to have fences and boundary lines. Diseases brought by the Europeans killed many Mohicans, who had no immunity. Wars were fought in disagreements over control of the fur trade and over the ownership of land. These wars caused the death of many Mohicans and destroyed their villages.

In 1734, some Mohicans agreed to gather together under the tutelage of a missionary named John Sargeant and start a Christian mission. A church and school were established. The village was called Stockbridge, Massachusetts, and the Native people who settled there soon became known as Stockbridge Indians.

After the Revolutionary War, in which Stockbridge/Mohican warriors fought on the side of the colonists, it became apparent that the Indian people were not welcome in their own Christian village any longer. Their population had been greatly reduced and the settlers were using unscrupulous means to gain title to their lands. An invitation was accepted to live among the Oneida Indians in the State of New York, and they did so for about thirty years, but the thirst for land forced them to move again. They began to move west, and eventually land was made available for them in Wisconsin. By the late 1800's, almost every Native nation in the United States had been assigned to a reservation. The Indian tribes came to be known as "nations within a nation."

When the Stockbridge/Mohican Indians came to Wisconsin in the 1820's, they first lived in the Kaukauna area. In the 1830's, they moved to the shores of Lake Winnebago and lived there for some years in what is now the township of Stockbridge. During this time, they were joined by some Munsee families and eventually became known as the Stockbridge/Munsee Band of Mohicans. In 1856, under a new treaty, they settled here in Shawano County. A new federal policy in 1934 enabled the tribe to reorganize, approve a new constitution and elect a seven-member Tribal Council which still governs the community.

The Stockbridge-Munsee Community Today

There are about 1,560 members of the Tribe today and about half of whom live within the original reservation boundaries. The original 1856 reservation, authorized by two treaties, includes the two townships of Bartelme and Red Springs with approximately 16,250 acres held in trust for the Tribe and 6,000 acres owned in fee by the Tribe. After a 2004 federal court decision, the official Stockbridge-Munsee Reservation is recognized by the State of Wisconsin as only those lands within the original reservation that are held in federal trust for the Tribe.

Today the Tribe is the largest employer in Shawano County, employing about 850 people. The North Star Mohican Casino opened its doors in 1992 and today provides approximately 550 jobs. The remaining 300 are in tribal government and other tribal commercial endeavors.

The tribal government provides an array of services such as public safety, roads construction and maintenance, housing, health and wellness, education and culture, fitness and recreation, land management, business planning, newspaper, social services, loan officer, public relations, and programs to support the services. The tribal government also funds a tribal court system, which has jurisdiction over tribal civil law, including divorces, guardianships, and civil regulatory enforcement.

In addition to the Tribe's casino, other commercial endeavors include the 18-hole Pine Hills Golf Course, the Mohican LP Gas Company, the Many Trails Banquet Hall, and Little Star Convenience Store/Gas Station.

The people of the Stockbridge-Munsee Community have survived centuries of struggle to maintain their identity and pride as a people. They have truly earned their symbol of courage, strength, and perseverance—the Many Trails.

SECTION 1 EMPLOYMENT

This Employment Manual applies to employees of the Mohican North Star Gaming and Resort (also referred to as "North Star Mohican Casino" and as "Casino"). This Manual contains some differences from the manual adopted for governmental employees for the Stockbridge-Munsee Community due to the needs of employees and management working in the highly regulated areas of the Tribe's gaming and resort operations.

EMPLOYMENT POLICY

The Stockbridge-Munsee Community, Band of Mohican Indians ("Stockbridge-Munsee Community" or "Tribe") is a sovereign nation with the authority to adopt, implement, and enforce its own laws and regulations governing activities within its territory.

Because of its sovereign status, most state laws do not apply to the Stockbridge-Munsee Community and many federal laws do not apply. For example, the Equal Employment Opportunity Act of 1972, an amendment to Title VII of the Civil Rights Act of 1964, does not apply. Stockbridge-Munsee Community is exempted from the definition of employer under this law and the federal government has recognized through various statutes and federal case law that the Tribe has the authority to exercise a hiring preference for its own members.

The Stockbridge-Munsee Community has an Employment Rights Ordinance, Fair Labor Standards Ordinance, Employment Preference Policy Ordinance, and a Worker's Compensation Ordinance that provide employee rights and policies. These ordinances are available at www.mohican-nsn.gov. These ordinances ensure the health and safety of the Tribe's employees and address most of the employee issues covered by similar federal and state laws.

EQUAL OPPORTUNITY EMPLOYER STATEMENT

The Stockbridge-Munsee Community operates as an Equal Opportunity Employer, except that Indian preference is given in accordance with the Tribal Employment Preference Ordinance.

WORKING DAYS

For the purpose of this Employment Manual, "working days" does not include weekends and holidays. Casino is a 24/7 operation. However, administrative staff work M-F therefore, working days = M-F.

POSTING/ADVERTISING

All positions, other than interim or short-term appointments, must be posted and/or advertised.

Frontline Positions:

Frontline (non-supervisory) positions will be posted as open until filled. These positions are open to all applicants upon posting; however, all hiring decisions must follow the Tribe's established preference policy.

Supervisor-Level and Above Positions: Initial postings for supervisor-level and higher positions will be open exclusively to enrolled members of the Stockbridge-Munsee Community for five (5) days. If the position remains unfilled after the initial posting, it will then be advertised open to any applicant for a minimum of five (5) days, as requested by the supervisor. All hiring decisions must follow the Tribe's established preference policy.

The Tribe retains the right to leave any position unfilled or to re-post a position as necessary. If you have any questions please reach out to Human Resources.

APPLICATION FOR EMPLOYMENT

All applicants for employment with the Stockbridge-Munsee Community must fully complete, date and sign the standard employment application form for every position applied for in order to verify the accuracy and completeness of previous employment and personal information. Material misrepresentations or false statements on an employment application may result in termination of employment. A resume will not be accepted in lieu of a completed employment application.

Certain employment positions may require a Tribal license. Individuals applying for employment in the gaming division must obtain and maintain appropriate licensing in accordance with the Tribe's Gaming Ordinance. This includes submitting to a criminal investigation background check ("CIB"). In addition, employment positions that have regular contact with elders or youth require an Elder/Youth license and any position involving the handling of money requires an acceptable CIB.

The Stockbridge-Munsee Community may investigate any portion of the requested information and may deny or later terminate the employment of anyone giving materially false, misleading, or incomplete information. Applicants who submit false information or material misrepresentation on an employment application will be ineligible for employment for a period of one year from the date of application. The completed application form will be made part of the personnel file of those applicants accepted for employment.

All hiring is coordinated through the Human Resources Department(s).

EMPLOYMENT REFERENCES

Requests for employment references should be made in writing to the Human Resources Department and must include an authorization by the employee for the release of the requested information. The Human Resources Department will only release information authorized by the employee. In all other cases, Human Resources will only release the employee's job title and dates of employment with the Tribe.

PHYSICAL EXAMINATION

A physical examination or communicable disease screening may be required for a person to be hired or maintain employment. When a physical examination or screening is requested, a physician and/or occupational health nurse appointed by the Stockbridge-Munsee Community will conduct the examination. The Stockbridge-Munsee Community will pay the cost of work-related physical examination or screening. Employment and assignment will be conditional pending the receipt of a satisfactory report.

PRE-EMPLOYMENT DRUG TESTING

All prospective employees will be required to take a pre-employment drug test. Any candidate who fails the pre-employment drug screening will not be accepted for employment and will be ineligible for employment consideration, in any tribal entity, for a period of 120 days from the date of the failed drug screening. Any candidate who fails the pre-employment drug screening two consecutive times will be ineligible for employment with any tribal entity for a period of one (1) year from the date of the last failed drug screening.

In the event that a prospective employee believes that the results of his or her drug screening conducted under the preceding paragraph was inaccurate, the prospective employee may, within

two (2) days of the notification of results to the prospective employee, elect to have a second drug screening performed in accordance with the Tribe's rule governing the drug screening. The second drug screening will be paid for by the prospective employee. A negative second result is not a guarantee of employment.

CATEGORIES OF EMPLOYEES

Employees are divided into the following categories for the purpose of compensation and benefits.

Regular Full-Time

Employees who work 32 hours or more on a workweek basis are considered full-time employees for benefit purposes, except as otherwise provided in this Employment Manual and under applicable law, such as for group health insurance, family-medical leave and 401(k) benefits.

Regular Part-Time

Employees who work less than 32 hours on a workweek basis are considered part-time employees for benefit purposes.

Flex Employees

Employees who are active on the payroll but have irregular scheduling and breaks in employment accepted by the Tribe are considered flex employees. These employees maintain a flexible schedule and are scheduled according to business demands. Examples of a flex employee are a college/technical student, an individual who has employment elsewhere or an individual available on a limited basis. Flex employees are not eligible for any benefits and do not establish a seniority date until they are hired in a full-time or part-time position.

Seasonal Employees

Seasonal employees are employees who are hired on a regular basis, but who have breaks in employment as a result of the normal calendar work year at their place of employment. The seasonal employee must be actively at work as a regular full-time employee and must satisfy all full-time eligibility requirements to apply for insurance benefits.

Contract Employees

Some employment positions may be contracted. Most often, these positions are professional positions or positions that may discontinue within the foreseeable future. Benefits will be according to contract.

Interim Employees

Employees holding jobs of limited or specified duration arising out of position vacancies pending hire or appointment are interim employees. Interim employees may work either full or part-time work schedules. Interim employment is for a maximum of six (6) months. Initial approval for hiring and/or an extension may be granted by the Tribal Council or Casino General Manager, as applicable.

Short-Term Employees

Temporary Employees (Emergency/Special Projects)

Employees holding jobs of limited duration for which there is no job description and that arise out of emergencies, special projects, abnormal workload, or other similar reasons are temporary employees. Temporary employees may work either full or part-time work schedules. Temporary employment is for a maximum of three (3) months. Initial approval for hiring and/or an extension may be granted by the Tribal Council or Casino General Manager, as applicable.

Acting Employees

An employee already categorized as an active full-time or part-time employee may be asked to fill a vacated position while continuing to perform their existing job duties. This does not include filling in for regular vacations or other brief periods that do not exceed 30 days. The employee shall actively carry out the duties and responsibilities of the vacated position along with their current job obligations. Terms of payment shall be negotiated by the Tribal Council or Casino General Manager, as applicable.

Independent Contractors

Independent contractors are persons who are contracted by the Tribe for a limited period of time to provide expertise in a specific field. Any independent contractor services desired will be secured in accordance with an approved procurement policy, will be in writing and must be signed by the Tribal President or authorized designee. Independent contractors are not classified as employees and are not eligible for any benefits unless such benefits were specifically negotiated as part of the contract and do not conflict with a specific benefit plan document. Independent contractors are not subject to the employment policies and procedures of the Stockbridge-Munsee Community, except those designated by tribal ordinance or contract.

DESIGNATION OF EMPLOYEE WAGE STATUS

Non-exempt from federal wage and hour law (hourly)

Non-exempt employees are expected to confine their work to the scheduled workday and workweek, unless overtime is authorized in advance by the immediate supervisor. Non-exempt employees will be paid overtime for all hours worked in excess of forty (40) per week, except as otherwise stated in the Tribe's Fair Labor Standards Ordinance, which may be amended as necessary.

Exempt from federal wage and hour law (salaried)

Persons who are employed in an administrative, executive, or professional positions are specifically exempted from the overtime provisions of the Tribe's Fair Labor Standards Ordinance. Therefore, exempt employees do not receive overtime pay. The hours worked by exempt employees will often be irregular and may begin and/or end outside of the normal workday.

SECONDARY EMPLOYMENT (Approved 4/5/16)

Policy: Secondary employment occurs when an employee holds two paid positions in more than one department or entity of the Tribe (a second job with the Tribe). Secondary employment is not an employee right. Secondary employment may be permitted in accordance with the following process.

Approvals:

1. Employees seeking to work in a secondary position must first obtain their manager's approval to ensure the secondary position does not interfere with their primary job.
2. Send an email to the HR Manager, advising of your interest in working a secondary position. If you are not on email, you may submit your request in writing to the Human Resources Department or request that the department manager send an email to the Human Resources Department.
3. Work in a secondary position can only occur outside an employee's normal work schedule.
4. Employees wishing to work in a secondary position must successfully complete whatever training is required for the position.
5. The following positions are identified as secondary positions and shall be limited to 20 hours per week:

6. An applicable Payroll Form with the employee's payroll data will be:

- Initiated by the receiving department manager
- Forwarded to the home department manager.
- Sent to the HR Manager for approval.
- HR will forward the approved applicable hiring form to payroll

7. The HR Manager will review applicants requesting to work in a secondary position to ensure their current job does not pose a conflict, nor has incompatible functions with the secondary position they are applying for.

Licensing:

1. Employees working in a secondary position must possess the license required by the position.
2. HR will be responsible for ensuring the employee applying to work a secondary position has the required license.

Compensation:

1. The rate of pay for the secondary position will be the range minimum for the particular position. If the employee working the secondary position will exceed forty (40) hours for the work week, every hour worked over forty (40) hours will be paid the overtime rate (time and ½) for the secondary position.

Benefits, Holidays, Leave

Secondary employment shall afford all benefits due under the applicable tribal employment manual, including paid time off, holidays and leave provided the Employee meets all eligibility requirements for benefits. Benefits such as health insurance and 401(k) eligibility shall be provided and administered in a manner that is compliant with applicable tribal and federal laws. Separate start dates and benefits due and owing for each employment position shall be maintained for the employee. Chapter 54 Employee Preference and Chapter 55 Mohican Fair Labor Standard and all other applicable tribal and federal laws shall apply to Secondary employment. However, Chapter 54 does not require the employer to approve dual employment.

Employee Conduct

Secondary employment shall not be the basis for failure to perform job functions. Employees shall continue to be subject to corrective action under the applicable employment manual for each employment position. Each department/entity has autonomy over the employee for probationary periods, corrective action, employment separation and termination purposes. Each

employment position shall be handled separately, however, both departments may utilize the same information and circumstances if the action by the employee affects the given department/entity. An employee may receive corrective action, employment separation or termination for the same incident at the separate positions. Examples of this include but are not limited to theft, harassment, sexual harassment, positive drug screening. Random drug screening results may be utilized at both employment positions. All paid time off (PTO) due and owed to the employee for a given employment position shall be paid out upon separation of employment—employees shall not transfer PTO between employment positions during this process.

Formal Written Agreement Required

All requests for dual employment must be made and approved in advance of any overtime being worked. No payment of dual employment will be processed without a notification of approval from Human Resources. A formal, written agreement between the three parties (primary, secondary, and employee) is required to ensure proper understanding, payments and accountability. The Human Resource Department shall provide and facilitate the signing of this agreement.

No Appeals of Determinations on Dual Employment

Secondary employment is not an employee right and is not appealable to the Tribal Court or the Tribal Council. The determination of whether secondary employment is permissible as made by Human Resources is final.

ORIENTATION PERIOD

During the first one-hundred-twenty (120) days of employment, employee performance should be evaluated in 30-day intervals. The completion of the evaluation period should not be considered a guarantee of permanent employment. When warranted, the initial 120-day orientation period may be extended by management for a period not to exceed 60 days subject to approval by Human Resources.

Employees hired in a new position with another tribal department or program without a break in service may use previously accrued and authorized time off but are otherwise considered an orientation employee. Flex employees will be subject to a new orientation period upon transferring to full-time or part-time status (for PTO purposes).

During the orientation period, employees are considered to be “at-will” employees. This means that employment may be terminated at the will of the Tribe and Tribe does not need to meet a “just cause” termination standard. “At-will” employees do not have a grievance process.

(Approved by Tribal Council July 5, 2017)

TRANSFER TO NEW JOB

Employees who are hired in a new position with North Star without a break in service are considered to have transferred for purposes of this policy. While North Star values the growth and development of employees and generally supports career progression, North Star also values employee reliability and believes employees need time to acclimate into their job position and demonstrate their capabilities before moving to a new job. Employees must successfully

complete their orientation period in their current job in order to show a satisfactory working record when applying to be hired in a new position. Applications from current employees that are applying to transfer to a new position during their orientation period will not be considered.

CONTINUOUS SERVICE DATE

A continuous service date will be established for each full-time and part-time employee. The continuous service date will be based on the employee's first day of employment as a full or part-time employee. If there is a break in employment and the employee later returns to work for the Tribe, the employee will get a new continuous service date from the new start date. Elected officials and the Tribal Secretary will maintain a continuous service date based on the date that they begin their term, so long as there is no break in service.

An employee going from short-term status to full-time or part-time status without a break in employment will have a continuous service date that begins at the time of the short-term position's start date.

When an employee holds positions with two different tribal entities, the employee's hire date for each entity will be used as the accrual date for benefits. In the event the employee moves to one position, the earlier date of employment will be used as the continuous service date.

COMBINED YEARS OF SERVICE

When a former regular status employee has a break in service and is rehired, the employee may be eligible for additional credible years of service credit for prior employment. For the purposes of credible years of service recognition, previous regular service is defined as any continuous employment as a regular status employee (full or part time) for a minimum of twelve consecutive months. Adjusted credible years of service is intended to apply for employee recognition programs for employment purposes only and it not intended for benefits eligibility or PTO accrual determinations.

IDENTIFICATION

Employees of North Star Mohican Casino are required to wear visible identification badges at all times when on the premises. This is not only identification as an authorized employee, but also an identification tag for our customers. Employees are required to carry their gaming license upon his or her person during all working hours and must produce the license upon the request of any official with jurisdiction over the gaming activity. The identification badges, gaming license, access cards, and any other cards issued for work purposes are to be clean of any markings, pins, stickers, etc.

Employees will receive their initial identification badges and gaming license from the North Star Mohican Casino at no charge. Replacement of any identification badges, gaming license, and any other cards issues for work purposes for reasons other than a change resulting from a management decision will be at the expense of the employee. The identification badge and gaming license are issued for work purposes and are not to be worn off the premises.

EMPLOYMENT SEPARATION (revisions approved 5/17/16)

An employee may be separated from employment either voluntarily or involuntarily by means of retirement, resignation, reduction of workforce, lack of work, or termination of employment. The right of the employee or the Stockbridge-Munsee Community to terminate the employment relationship is recognized and affirmed as a condition of employment. Both the employee and the employer have the right to terminate employment at any time unless an employment agreement exists and contains a specific notice provision. In such case, the agreement will govern.

Any employee resigning their position with the Stockbridge-Munsee Community is requested to submit a written notice of their intent to resign.

1. Supervisory and managerial employees should give a four-week notice.
2. All other employees should give at least a two-week notice.

An employee resigning their position may be asked to participate in an exit interview. This information will assist the employer in evaluating tribal policies and procedures, benefits and other employment issues.

An employee whose employment is terminated will receive written notification, which will be sent to the employee's last known address. The notification shall include the reason for termination of employment and will outline the employee appeal process.

REHIRE POLICY (revisions approved 5/17/16)

The work records of all former employees will be reviewed for the reasons the employment was severed when a person applies to be rehired by the Stockbridge-Munsee Community. This includes employee work records for both the Tribe's government side operations and its business enterprises, including Mohican North Star Gaming and Resort. Former employees are not guaranteed re-employment by the Tribe.

All former employees who failed to successfully complete their orientation period will not be eligible to apply for any position with the Stockbridge-Munsee Community for a period of three (3) months from the effective date of termination.

Former employees, not including orientation employees, whose employment was terminated for unsatisfactory job performance or attendance issues, will not be eligible to apply for any position with the Tribe for a period of three (3) months from the effective date of termination.

Former employees whose employment was terminated for gross misconduct or criminal conduct will not be eligible to apply for any position with the Tribe for a period of one (1) year from the effective date of termination.

All former employees whose employment was terminated for a second positive drug screening will not be eligible to apply for any position of the Stockbridge-Munsee Community for a period of one (1) year from the effective date of termination.

All former employees who were terminated or otherwise separated from their employment and have failed to return property that belongs to the Stockbridge-Munsee Community or have an outstanding job-related debt with the Tribe will not be eligible to apply for any position with the Tribe until the debt is paid and/or the property is returned.

CONTENTS OF PERSONNEL FILES

The Stockbridge-Munsee Community maintains personnel records for applicants, employees, and past employees in order to document employment-related decisions, evaluate and assess policies, and comply with recordkeeping and reporting requirements. The Human Resources Department is responsible for overseeing recordkeeping for all personnel information.

Employee personnel files may include, but are not limited to the following documents:

- Original employment application
- I-9 form (kept in separate file)
- Job description
- Performance evaluations
- Disciplinary actions
- Educational achievement records
- Status changes affecting employee's work and salary history
- Drug testing and medical information (kept in separate file and subject to confidentiality)
- Other relevant documents as determined by Human Resources

EMPLOYEE INFORMATION

Employees are required to help keep North Star Mohican Casino informed of specific changes that include, but are not limited to:

- Name
- Address
- Home telephone number
- Emergency contact and telephone number
- Marital status (optional)
- Number of dependents (optional)
- Authorized payroll deductions
- Status of driver's license, as identified by job description
- Status of any other license, certification, etc. required for employment
- Military status
- Outside employment

In accordance with the Mohican Gaming Ordinance, specific information must be reported to the Mohican Compliance Department. For detailed information, refer to the Mohican Gaming Ordinance.

EMPLOYEE REQUEST FOR REVIEW OF PERSONNEL FILE

Employees may review their personnel file in the presence of a Human Resources Department representative. Employees shall not have access to confidential information, such as complaints by other employees and internal investigation reports; however, employees will be provided with a summary of the investigative report. Human Resources shall have until the end of the next business day to produce the file. Upon a request from an employee and payment of a copying fee as applicable, Human Resources will provide an employee or former employee with a copy of the file. An employee who believes that materials in the file are inaccurate may submit a written statement of disagreement, which identifies the inaccurate information. The statement will be kept in the file. No information shall be removed from the personnel file.

MANAGEMENT REVIEW OF PERSONNEL FILES

All information in employee personnel files is considered confidential. This information will only be available to the Human Resources Department, management who are in the employee's direct chain-of-command, and the Tribe's legal representatives when information is needed for a bona fide business purpose. The Tribal President or his/her designee(s), as the immediate supervisor of Council-supervised positions, will have access to personnel files for those employees when information is needed for a bona fide business purpose.

If a current employee has applied for another position with the Stockbridge-Munsee Community, the hiring panel may also review information in the personnel file that is pertinent to the job being applied for, as determined by Human Resources.

SECTION 2 WORKING HOURS AND PAY

HOURS OF OPERATION

Due to the diverse business and service needs of the Stockbridge-Munsee Community, a uniform work schedule cannot be applied to all employees. Work schedules will be established by the various divisions in consultation with and subject to the approval of the Stockbridge-Munsee Tribal Council. Typically, the workweek spans from 12:00 A.M. Sunday to 11:59 P.M. Saturday.

WORK SCHEDULES

Each employee is expected to complete a normal working day and workweek. All employees must be clocked in and at their work area at the scheduled time. Specific work schedules will be determined and maintained by all the department managers. An employee's department manager may change the employee's schedule based on the needs and requirements of business operations. Supervisory personnel may also require an employee to work an unscheduled day within the same workweek.

Only the department manager or designee may approve schedule changes (e.g. switching days, PTO days). Requests will be handled promptly. Employees should try to plan ahead and schedule personal appointments for scheduled days off.

Employees may need to allow 10-15 minutes arrival time prior to scheduled shift. All employees are required to leave premises within 20 minutes of completed work shift, unless authorized by their immediate supervisor.

All employees are required to attend mandatory staff meetings. Most of the general meetings are mandatory, so employees should be prepared to attend all meetings. An employee who fails to attend a mandatory meeting will be subject to disciplinary action.

PAY PERIOD AND PAYMENT

The pay period is weekly. Employees are normally paid on Friday for work performed Sunday through Saturday of the previous week. Direct deposit of payroll checks is required for all employees. Employees will not be required to use Direct Deposit services only if they provide the Tribe with a reasonable written explanation of why they cannot use Direct Deposit.

TIME RECORDS

Employees are required to keep an accurate record of hours worked. All non-exempt (hourly) employees are required to clock in at the beginning of scheduled shift and clock out at the end of shift. It is a violation of policy for one employee to punch another employee's time card or to alter his/her own time card. Such an action is a violation of policy and may be subject to disciplinary action up to and including termination of employment. If an employee has a question concerning his/her time record, he/she should promptly discuss the matter with the immediate supervisor.

If management has a question regarding an employee's time record, the manager or supervisor will notify the employee prior to processing the time record. If revisions are made to the time record, the individual making the revisions must sign off on the revisions.

Exempt employees may be asked to complete weekly time sheets; however, these time records are not used for the purposes of determining compensation.

ATTENDANCE

Regular and punctual attendance is a fundamental requirement for all employees. While we understand that occasional illness or personal circumstances may lead to unavoidable absences or tardiness, consistent and timely attendance is crucial for continued employment.

Employees must notify their immediate supervisor at least one (1) hour before their shift starts if they are unable to report to work. This requirement should not be interpreted as a leniency for late arrivals. Failure to maintain an acceptable attendance record may result in disciplinary action, including termination. Excessive absenteeism, unexcused absences, or tardiness may also impact eligibility for pay increases.

For more information, a copy of the approved and detailed attendance policy can be obtained from the Human Resources department.

OVERTIME

Employees may be required to work overtime as needed by the Stockbridge-Munsee Community. All overtime must be authorized by management. Non-exempt hourly employees will receive overtime pay at one and one-half (1½) times their regular rate for hours worked beyond forty (40) hours per week. Paid time off does not count toward the calculation of overtime hours. Overtime pay will not be provided for hours covered by worker's compensation. Exempt employees are not eligible for overtime pay.

SHIFT DIFFERENTIAL

At North Star Mohican Casino, the shift differentials and weekend premiums are as follows:

Second Shift: 4:00 PM to 12:00 AM. Hourly employees working any part of this shift will receive a differential of \$1.00 per hour.

Third Shift: 12:00 AM to 8:00 AM. Hourly employees working any part of this shift will receive a differential of \$2.00 per hour.

Weekend Premium: Friday 4:00 PM to Sunday 11:59 PM. Hourly employees working any part of this time frame will receive an additional \$3.00 per hour.

Example: An employee working from 11:00 PM to 7:00 AM on a weekend will earn an additional of \$1.00 per hour for the hour worked during the second shift (11:00 PM to 12:00 AM) and \$2.00 per hour for the seven hours worked during the third shift (12:00 AM to 7:00 AM), plus an additional \$3.00 per hour for the entire shift as it falls within the weekend premium time frame.

Only actual hours worked during the designated shift times and weekend periods will be eligible for the respective differentials and premiums.

WEEKEND PREMIUM

Hourly employees who work any hours from Friday at 4:00 p.m. through Sunday at 11:59 p.m. will receive a weekend premium of \$3.00 per hour for all hours worked during this period. This weekend premium is in addition to any shift differential pay they may receive. Only the hours actually worked during this time frame will qualify for the weekend premium.

ERROR IN PAY

The Stockbridge-Munsee Community takes precautions to ensure that employees are paid correctly; however, if an employee becomes aware of an error, the employee should notify their immediate supervisor of the error in a timely manner. The Stockbridge-Munsee Community will make every attempt to adjust the error no later than the employee's next regular pay period.

GARNISHMENT OF EMPLOYEE WAGES

Garnishments are court orders requiring an employer to withhold specified amounts from an employee's wages for payment of a debt owed by the employee to a third party. The Stockbridge-Munsee Community honors only Stockbridge-Munsee Tribal Court Orders and foreign court orders or judgments that have been recognized by the Stockbridge-Munsee Tribal Court, except that foreign court orders for child support do not need Stockbridge-Munsee Tribal Court recognition. The Stockbridge-Munsee Community may charge the employee an administrative fee when a garnishment occurs.

VOLUNTARY PAYROLL DEDUCTIONS

Only payroll deductions to the Stockbridge-Munsee Community or its economic entities, including the Tribe's Loan and Housing Departments, will be permitted. All deductions must be authorized in writing by the employee and will be itemized on the employee's paycheck stub. Questions regarding payroll deductions should be directed to the payroll staff of the Finance Department. The Tribe will make payroll deductions consistent with applicable law.

PAY ON SEPARATION FROM EMPLOYMENT

Employees separated from employment will be paid for time worked (less deductions) on the next regular payday according to the applicable laws. Employees separated from employment will be paid for earned Paid Time Off (in accordance with Section 3) on the next regular payday.

All employees are expected to return (and are responsible for) any Stockbridge-Munsee Community property upon separation from employment. The Stockbridge-Munsee Community may deduct monies from non-returned Stockbridge-Munsee Community property, travel advances, insurance payments, uniforms, theft, missing monies, or other similar issues or occurrences, provided that the employee has the opportunity to dispute the issue with the Human Resources Department prior to the deduction occurring. The employee's last payroll check will be available at the Human Resources Department.

PAYROLL ADVANCES

There will be no payroll advances.

PERFORMANCE EVALUATIONS

Management will evaluate the performance of employees not less than annually. The evaluation consists of a personal meeting during which an employee's strengths and weaknesses are discussed and recommendations for improvements are made. These meetings also identify the short and long-range goals of employees and determine how they interrelate with the purpose and objectives of North Star Mohican Casino.

Any recommendation for a change of duties or an increase in pay must be approved by the appropriate supervisory entity, in accordance with Human Resources Department policies, before any change takes effect.

Annual reviews must be completed within 30 days of the review date. An annual review does not necessarily mean a change in pay or duties. An employee who has transferred to a new position will be evaluated at least twice during the first 90 days of employment in their new position.

A performance evaluation may be completed at any time during employment when the supervisor is identifying performance deficiencies and identifying time frames for improving performance. Management is strongly encouraged to utilize performance evaluations to document performance deficiencies.

EMERGENCY NOTIFICATION

In the event the Tribe receives word of an emergency related to a member of an employee's family, the employee will be notified as soon as possible. Should the employee be at a location away from his/her normal workplace, arrangements will be made to contact the employee, and if necessary, arrange for the employee to return home immediately.

INCLEMENT WEATHER POLICY

The North Star Mohican Casino generally will not close during inclement weather. Employees are expected to work during normal scheduled hours unless inclement weather creates hazardous driving condition or other hardships. Employees who feel the need to arrive late, leave early, or not attend work due to inclement weather conditions must notify their immediate supervisor. Employees will not be disciplined; however, the employee will be required to use their paid time off for their absence if the employee wishes to be paid.

In the event the gaming business is severely interrupted by inclement weather, those individuals who have reported to work and are not needed, will be paid three (3) hours at regular time for reporting to work even if dismissed after working less than 3 hours.

The Casino General Manager will have the final determination as to when an inclement weather day will be designated.

TRIBAL MEETINGS AND SERVICE ON COMMISSIONS/COMMITTEES/ BOARDS/VOLUNTEERS

Employees may serve on tribal commissions, boards and committees in a voting or non-voting

capacity consistent with tribal law and applicable by-laws. Meetings shall be scheduled in accordance with tribal policy; however, employees may be granted reasonable time during work hours to attend meetings with approval of immediate supervisor.

Employees may also be required to attend meetings of the Tribal Council from time to time. Notice of such requirements or request for attendance shall be directed to the employee's manager and/or director.

It is the policy of the Stockbridge-Munsee Community that non-exempt employees be compensated at their regular rate of pay for attendance at meetings of the Tribal Council or tribal commissions, committees and boards and that time spent at such meetings will be considered hours worked when such attendance is requested and/or required by the Stockbridge-Munsee Community, unless the employee receives a stipend for attending such meetings. Time spent in attendance at non-tribal meetings, unless such attendance is part of the employee's duties, will not be compensated, unless the employee uses paid time off in accordance with Section 3.

SECTION 3 BENEFITS, HOLIDAYS, AND LEAVES

The Stockbridge-Munsee Community provides employees with a well-balanced program of benefits designed to meet the needs of employees and employees are eligible for such benefits as are described in this Employment Manual and under applicable law. The information contained in this Employment Manual regarding employee benefits is not a contract to provide these benefits to any employee. Particular eligibility requirements for benefits, such as health and disability insurance, are described in the summary plan documents and/or benefit booklets for a specific benefit. Employees are eligible for benefits provided by the Stockbridge-Munsee Community if they meet specific plan requirements. Questions concerning benefits should be directed to Human Resources and questions concerning insurance claim information should be directed to the Insurance Department. The benefits and terms of the benefit plans described are subject to change at any time by the insurer(s) or the Stockbridge-Munsee Community. Where there is a conflict between the language of this Employment Manual and that of a benefit plan, the language of the benefit plan will control.

BENEFIT ELIGIBILITY

- Full-time employees are eligible for benefits described in this Employment Manual, provided they qualify for each individual benefit.
- Employee must work an average of 30 hours per week and the wait is 60 days plus the first month of employment for the insurance benefits.
- Part-time employees are eligible for those employee benefits specifically designated, provided they qualify for each individual benefit.
- Seasonal employees are eligible for benefits described in this Employment Manual, provided that they qualify for each individual benefit.
- Contract employees are eligible for such benefits as authorized under the employee's contract with the Tribe.
- Interim employees are not eligible for benefits.

- Short-term employees are not eligible for benefits.
- Acting employees retain existing benefits.
- Flex employees, independent contractors, and volunteers are not eligible for benefits.

HOLIDAYS

North Star Mohican Casino observes the following paid holidays:

- New Year's Day
- Stockbridge-Munsee Day (third Monday in March)
- Easter
- Memorial Day
- Fourth of July
- Labor Day
- Thanksgiving Day
- Christmas Eve Day
- Christmas Day
- New Year's Eve Day

Holidays falling on Saturday are observed the preceding Friday (for office staff), while holidays falling on Sunday are observed the following Monday (for office staff). Any exceptions to this policy will need Tribal Council approval. For the Christmas and New Year's holidays, when there is one weekend day and one-week day, only one day of paid holiday will be observed. Flex and temporary employees, employees on approved family-medical leave, and employees on approved leave of absence are not entitled to receive holiday pay. Administrative and/or office personnel, excluding the receptionists, are not required to work on holidays.

An hourly employee who works the day of the observed holiday will be paid at the rate of two (2) times their regular rate of pay for actual hours worked. An hourly employee who works the day of the observed holiday when the casino is closed will be paid double their normal rate of pay for each holiday hour worked. Flex employees will receive holiday pay at the rate of two (2) times their regular rate of pay only for those holidays hours worked. All employees must work their scheduled day before and the scheduled day after the holiday in order to receive holiday pay, unless the employee has previously scheduled and obtained approved paid time off.

"Scheduled day" means entire shift, unless early out is granted because of reduced business.

Employees that call in with an absence on a holiday they are scheduled to work are not eligible for holiday pay and are not entitled to use paid time off for the absence. If an employee calls in on their scheduled day before or scheduled day after a holiday on back-to-back holidays, the employee loses holiday pay for both holidays.

Employees who are currently off from work on approved family-medical leave, for short-term disability, excused under Worker Compensation Ordinance, or during other unpaid leave also do not receive holiday pay.

For those holidays when the casino opens late, employees scheduled to work the shift when the casino is closed will be paid double their normal rate of pay for each holiday hour worked up until the time the casino opens. The schedule of holidays when the casino is closed is subject to change.

Floating Holidays

Floating holidays are an added benefit that gives employees extra flexibility and time off beyond standard holidays. These holidays are not fixed company-wide closures but allow employees to take time off later if they work on these dates.

North Star Mohican Casino Resort observes the following floating holidays:

- Martin Luther King Jr. Day (third Monday in January)
- Sachems Day (third Monday in February)
- Juneteenth (June 19)
- Indigenous Peoples Day (second Monday in October)
- Veterans Day
- Day after Thanksgiving

Full-time employees who work on a floating holiday will receive their normal pay and **eight (8) hours of time off**, part-time or flex employees will receive **four (4) hours off**. These hours are to be used at a later date in the same manner as scheduled PTO. Floating holidays will not be used for unscheduled PTO. This time will not be credited until the floating holiday has been worked. If an employee leaves early for illness, disciplinary issues, or any other reason other than reduced business needs they will not accrue a floating holiday.

Office staff will receive the day of the floating holiday off in most cases. If office staff must work a floating holiday they will receive **eight (8) hours of time off** to be used later.

All floating holiday hours must be used by **September 30 of the same fiscal year they were accrued**; unused hours will be forfeited. If an employee separates employment any unused floating holidays accrued will be forfeited.

TC approved 11/26/2025

PAID TIME OFF (“PTO”)

The Paid Time Off policy serves to replace sick, personal and vacation hours for each full-time and part-time gaming employee by combining all current paid hours earned into one category. The Tribe understands that employees need time off from work for rest and relaxation, as well as personal and sick time. Eligible employees earn Paid Time Off (“PTO”) that can be used to help maintain income during such absences from work, whether scheduled or unplanned.

Eligibility

All full-time and part-time employees are eligible for this benefit. Part-time employees shall earn PTO on a prorated basis, based on hours worked (for example, an employee who works 20 hours per week will earn PTO at half the regular rate).

PTO Accrual

Accrued PTO is allocated to eligible employees at the beginning of each month. PTO is accrued by new employees, but hours cannot be used until the employee has successfully completed their orientation period.

PTO Allocation

PTO is allocated to eligible active employees at the beginning of each month and is based on credited years of service as follows:

<u>Time of Service</u>	<u>PTO Earned Monthly</u>	<u>PTO Earned Annually</u>
1 day to 120 days	3.00 hours	12 hours
121 days to 1 year	8.50 hours	68 hours
1 to 2 years	11.00 hours	132 hours
2 to 5 years	14.00 hours	168 hours
5 to 10 years	18.00 hours	216 hours
10 to 15 years	20.50 hours	246 hours
after 15 years	23.50 hours	282 hours

Carry-Over Provision

An employee may carry-over a maximum of 320 hours of PTO into the next anniversary year of the casino. Unused balances over 320 hours are forfeited.

Request and Use of PTO

To the extent possible, PTO requests are subject to advance approval of the department manager, in writing, and will be based upon prior requests and the needs of the business and individual. Employees not receiving prior approval for using PTO and calling in on a scheduled workday will be charged as using unscheduled PTO. Requests for PTO must be submitted at least 72 hours in advance and require approval by the department manager and/or supervisor (in the absence of the manager). The excessive use of unscheduled PTO will result in progressive

disciplinary action up to and including termination of employment. Refer to Section 7, "48-Hour Rule/Excessive Absenteeism".

If an employee is absent on unscheduled leave for more than 3 consecutive work days due to illness, appropriate verification must be provided by health care provider before PTO will be paid. Verification may also be requested for unscheduled leave for more than 3 consecutive days due to an emergency.

PTO will not be approved more than 60 days in advance. PTO requested at least 60 days in advance will be approved on a seniority basis, by casino hire date. PTO requested less than 60 days in advance will be approved on a first come-first serve basis. For internal control purposes, employees working in specific positions will be required to take one week of PTO in a consecutive workweek, with those positions being designated by management. A consecutive workweek is defined as "up to five (5) consecutive scheduled workdays depending upon your normal workweek". Ideally, employees should keep a balance of at least 160 hours of PTO on the books in case of emergencies. The Tribe reserves the right to deny or reschedule PTO requests based on business needs. Employees are reminded to use their PTO wisely.

Transfers of PTO

When an employee moves to a new position with another tribal department or tribal entity, the employee's earned PTO hours will be transferred to the new position. New employees are not usually eligible to use PTO during the orientation period; however, employees who have transferred between entities may be permitted to use PTO at the discretion of the department manager or supervisor (in the absence of the manager).

PTO Buy Back

On an annual fiscal basis, the Tribal Council may analyze economic and budgetary conditions to determine whether a one-time annual PTO buyback may occur that fiscal year. This program will afford employees an opportunity to request cash payment for existing PTO hours. To be eligible for the buyback program, employees must maintain a minimum of 160 hours in their accrual after the buyback is processed. Employees may trade up to 160 hours per year for the buyback program. Tribal Council shall approve the PTO buyback program for that fiscal year during the budget process approval, they shall also determine the percentage of cash value of their vacation time payout. The Tribe reserves the right to deny or disapprove the PTO Buyback program based on financial and economic considerations.

Separation of Employment

Employees who separate from employment with the tribe will be paid for unused, accrued PTO on the next regular payday after the separation from employment, less any deductions, amounts owed, and not to exceed a maximum of 320 hours. Unused PTO balances over 320 hours are forfeited.

DONATIONS OF PAID TIME OFF

This policy will set forth the process whereby one employee may donate time to a fellow employee. This policy permits eligible employees to transfer portions of their PTO time on the books to employees who have exhausted their time. Employee requests for donated time must be coordinated through the Human Resources Department.

Employee Eligibility

Eligibility criteria for receiving time donation:

- Exhausted all PTO time on the books.
- Must be on an approved FMLA or medical leave of absence.
- If an employee is receiving disability pay or worker's compensation, employee is not eligible to receive donated time.

Eligibility criteria for donating time to another employee:

- Employed at least one year with the Stockbridge-Munsee Community.
- Must maintain a minimum balance of 40 hours of PTO time on the books at time of donation.

Policy Guidelines

- The maximum number of hours an employee can donate during a pay period is unlimited. The maximum number of hours an employee can receive during a pay period is 40 hours. The maximum number of hours an employee can receive during a year is 240 hours.
- All donated hours will be for whole hours; employees cannot donate less than one hour.
- Once a resignation is received from an employee, time donations from that employee will not be accepted.
- A request to donate time to another employee must be strictly voluntary by the donating employee and the receiving employee. The name of both the donating and receiving employees will be kept anonymous, if requested.

GROUP HEALTH INSURANCE

For purposes of eligibility for group health insurance only, employees who work an average of 30 hours of service per week or 130 hours per calendar month are considered to be full-time employees who are eligible for group health insurance. Group health insurance is available to all full-time employees on the first day of the calendar month following completion of 60 days of full-time employment.

Once an employee qualifies as full-time for group health insurance purposes, the employee is treated full-time during the Stockbridge-Munsee Community's standard stability period, regardless of the hours actually worked. In accordance with federal law, there will be period reassessments of hours of service to verify whether on-going employees remain eligible for group-health insurance purposes.

As health care costs continue to rise, the Stockbridge-Munsee Community will attempt to provide suitable health coverage to its employees. However, when necessary, the Stockbridge-Munsee Community reserves the right to change the portion paid by employees for health insurance premiums and change the benefits in the plan.

The insurance carrier will provide eligible employees with a detailed summary of the insurance coverage provided. If there is a conflict between this summary and the detailed summary of the insurance plan document, the terms of the detailed insurance plan document shall be controlled.

CONTINUATION OF GROUP HEALTH INSURANCE (COBRA)

Employees

Employees whose employment is terminated for reasons other than gross misconduct may continue group health insurance coverage for up to eighteen (18) months or twenty-nine (29) months if disabled at the time of termination. Continuation is at the employee's expense in accordance with COBRA regulations.

Employees covered under the plan who become ineligible due to a reduction in work hours may also continue coverage for up to eighteen (18) months or twenty-nine (29) months if disabled at the time of the reduction of work hours. Continuation under COBRA is at the employee's own expense.

COBRA notification, costs, application, and procedure information will be sent by certified mail to the employee's last known address. The employee must notify the Mohican Nation Insurance Department in writing of COBRA elections and must pay the premiums according to the premium schedules. Failure to notify the Insurance Department(s) in writing within sixty (60) days of the notification letter or to pay premiums as required is considered notice of cancellation of COBRA.

Employees who are on leave, are maintaining their health insurance, and are not eligible for or have exhausted their family-medical leave or eligible PTO benefits will be offered continuation of benefits under COBRA with the employee paying 100% of the premium plus administrative costs.

Dependents

In the event that a dependent is no longer eligible for coverage under the employee's group insurance plan due to employee's death, divorce or legal separation, or a child ceasing to meet dependent eligibility criteria, the dependent may continue group health insurance for up to thirty-six (36) months. Continuation under COBRA is at the expense of the employee or dependent.

The dependent must notify the Mohican Nation Insurance Department in writing within sixty (60) days of the date of the COBRA notification letter, of their intent to continue coverage. Failure to notify the Mohican Nation Insurance Department of COBRA elections in writing, or failure to pay premiums is considered a notice of cancellation of this option.

GROUP LIFE INSURANCE

Group life insurance is available to regular full-time and part-time employees. The Stockbridge-Munsee Community pays premiums for group life insurance in full. This coverage becomes effective the first day of the month following sixty (60) days of continuous employment.

Information will be provided together with the group health insurance booklet.

Questions regarding group life insurance should be directed to the Mohican Nation Insurance Department.

SUPPLEMENTAL LIFE INSURANCE

Supplemental life insurance is available for employees. This supplemental life insurance is entirely at the employee's expense. See Mohican Nation Insurance for additional information.

401(K) RETIREMENT SAVINGS (Enterprise Plan)

Employees who work at least 1,000 hours per year, and who are otherwise eligible under the terms of the plan documents, are eligible to participate in a 401(k)-retirement savings plan established by the Stockbridge-Munsee Community. The plan contains a match feature that provides for an employer contribution of up to 3%, for most employees, to match employee contributions. Employees are automatically enrolled in such plan following the completion of one year of eligible employment with an initial automatic contribution of 3%. This automatic contribution will increase to 4% at the employee's 2nd anniversary date with subsequent increase to 5% at the 3rd anniversary date and 6% at the 4th anniversary date. Employees may opt out of automatic employee contributions but must do so in writing and in accordance with the plan documents. Copies of the 401(k) plan documents are available from the Human Resources Department.

BEREAVEMENT LEAVE

In the event of a death in an employee's immediate family, the employee will be allowed up to three (3) days off with pay (days do not need to be taken consecutively, e.g. for a spring burial). If additional time is necessary, PTO may be used (provided the employee is eligible for PTO) or unpaid leave may be taken. For purposes of this section, immediate family is defined as spouse, cohabitant, children, parents, grandparents, grandchildren, parents-in-law, siblings, and any other persons living in the home.

In the event of a death of an employee's aunt, uncle, sister-in-law, brother-in-law, nephew, niece, or first cousin, the employee will be allowed up to two (2) days off with pay. Employees may take one (1) day unpaid bereavement leave to attend the funeral of an individual of a significant relationship to the employee or employee's spouse and may use PTO for their absence if they want to be paid.

Flex employees that do not work the required hours for benefits eligibility are not eligible for any benefits. Bereavement leave is considered a benefit provided by the Stockbridge-Munsee Community and North Star Mohican Casino Resort.

The Stockbridge-Munsee Community reserves the right to request substantiation of any death in an employee's immediate family.

Revisions approved by Tribal Council April 5, 2023

LEAVE FOR JURY DUTY AND COURT APPEARANCES

Leave with full pay will be granted for all time used during jury duty and work-related subpoenaed court appearances. Jury duty must be reported to the Department Manager. Subpoenaed witnesses in court proceedings that are not work-related will be granted unpaid leave or may use PTO.

FAMILY/MEDICAL LEAVE

1. Introduction

The Stockbridge-Munsee Community provides employees unpaid family/medical leave consistent with the Family and Medical Leave Act of 1993 ("FMLA"), as amended. The

Stockbridge-Munsee Community is not subject to the Federal Act. However, in order to provide additional protection and benefits for its employees, the Stockbridge-Munsee Community has pledged to provide leave and time off consistent with the Act as part of its Employment Rights Ordinance. The following provisions apply with regard to the family/medical leave policy for employees. It is the responsibility of every employee to read and understand this policy. If you have any questions regarding this policy or your rights under the Tribe's laws, contact the Human Resources Department. Note: it is the responsibility of the supervisor to notify Human Resources immediately of any possible FMLA situations.

2. Employee Eligibility

To be eligible for FMLA benefits, an employee must meet the following criteria:

- Employed by the Stockbridge-Munsee Community for at least 12 months of continuous service; and
- Worked at least 1,250 hours during the 12-month period immediately preceding the start of the leave; and
- Employed at a worksite of the Stockbridge-Munsee Community that has 50 or more employees within 75 miles of that location.

3. Qualified Leave Reasons

Employees meeting the FMLA eligibility criteria listed above may take leave under the FMLA for the following reasons:

- The birth and care of the employee's child; or
- Placement with the employee of a child for adoption or foster care; or
- The employee's own serious health condition; or
- To care for the employee's spouse, child, or parent with a serious health condition, or
- Due to a qualifying exigency under federal law that arises from the employee's spouse, child or parent being on military active duty (or being notified of a call or order to active duty) in support of a contingency operation.

Leave for the birth and care, or placement and care of a child must conclude within 12 months of the birth or placement of the child. The FMLA applies equally to male and female employees.

Serious Health Condition

Serious Health Condition means an illness, injury, impairment, or physical or mental condition that involves either:

1. Inpatient care in a hospital, hospice or residential medical care facility; or
2. Continuing treatment by a health care provider.

Continuing Treatment

Continuing treatment means any of the following:

1. A period of incapacity of more than three consecutive calendar days involving treatment two or more times by a health care provider or treatment by a health care provider on at least one occasion that results in a regimen of continuing treatment under the health care provider's supervision. Incapacity means inability to work, attend school or perform other regular daily activities and includes incapacity from treatment or during recovery.

2. Any period of incapacity due to pregnancy or prenatal care.
3. Any period of incapacity or treatment for such incapacity due to a chronic serious health condition that requires periodic visits for treatment by a health care provider; continues over an extended period of time; and may cause episodic rather than continuing incapacity (e.g., asthma, diabetes, epilepsy, etc.).
4. A period of incapacity that is permanent or long-term due to a condition for which treatment may not be effective (e.g., Alzheimer's disease, severe stroke, terminal stages of a disease.)
5. Any period of absence to receive multiple treatments by a health care provider either for restorative surgery after an accident or injury, or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days in the absence of a medical intervention or treatment (e.g., chemotherapy for cancer, physical therapy for severe arthritis, or dialysis for kidney disease).

4. Employee Notice Requirement

Employees seeking FMLA leave are required to provide their manager (or supervisor in absence of the manager) and Casino Human Resources at least 10 calendar days prior written notice of the proposed leave. The FMLA request form must be completed and returned to Human Resources prior to the proposed leave. If advance notice is not possible due to circumstances beyond the employee's control, notice should be given as soon as practicable. Failure to give advance notice where the leave is foreseeable may delay or postpone the commencement of the leave. Contact Human Resources for the applicable forms.

5. Certification of a Serious Health Condition

If your FMLA leave is due to a serious health condition as defined above, (whether it involves the employee or your parent, spouse or child), medical certification from a health care provider is required. The employee is required to submit a medical certification within 15 days from the start of FMLA leave. The employer may deny the continuation of FMLA leave due to a serious health condition if the employee fails to fulfill any obligations to provide supporting medical certification.

A health care provider that may determine whether you or your family member has a serious health condition as defined above includes the following individuals: physician; dentist; podiatrist; clinical psychologist, or optometrist who is authorized to practice medicine or surgery in the state in which the individual practices his or her profession. In limited cases medical certification may be provided by a chiropractor.

6. Length of Leave

Employees eligible for leave under the FMLA may take up to twelve (12) weeks of unpaid leave during a leave year (additional time, up to a total of 26 weeks, may be available in relation to military service member family leave). The Stockbridge-Munsee Community uses the rolling 12 months method for calculating the leave year. This means that the 12-month leave period is measured backward from the first day an employee uses any FMLA leave. Each time an employee takes FMLA leave, the remaining leave entitlement will be the balance of the 12 weeks that has not been used during the immediately preceding 12 months.

If medically necessary, employees may take intermittent leave or leave on a reduced leave schedule, to care for a seriously ill family member or because of the employee's own serious health condition. Leave for the birth of a child or the placement or adoption of a child may not be taken intermittently.

7. PTO Time

When an employee takes FMLA leave because of the employee's own serious medical condition, the employee must utilize any unused PTO or short-term disability leave for any otherwise unpaid FMLA leave.

When an employee takes FMLA relating to birth of a child or placement of a child for adoption or foster care, or care for a spouse, child or parent who has a serious health condition, the employee must utilize any unused PTO for any otherwise unpaid FMLA leave.

PTO will run concurrently with any FMLA leave, provided that the employee is eligible for both paid leave and FMLA leave, and the employee has actually accrued PTO as of the time the FMLA leave commences. FMLA benefits will run concurrently with benefits provided by Worker's Compensation.

Employees do not accrue PTO during times when they are completely off work on an approved family-medical leave, for short term disability excused under Workers Compensation Ordinance, or during other unpaid leave. Upon return to work, employees resume accruing PTO. Employees who are on intermittent leave accrue PTO during working time.

For exempt (salaried) employees who are on a partial leave, the employee must use PTO for hours not worked during the normal workday, if employee medically cannot work a full day. Example: If an exempt employee were allowed to work 4 hours per day, that employee would only get paid for the 4 hours.

8. Benefits Provided During Leave

During any FMLA leave, the Stockbridge-Munsee Community will maintain the employee's medical and dental coverage on the same conditions that coverage would have been provided if the employee had been continuously employed during the entire leave period. The Stockbridge-Munsee Community and the employee will each continue to pay their portion of the benefit costs. Employees who have exhausted the FMLA leave will be offered continuation of benefits (at the employee's expense) under COBRA. In some instances, the Stockbridge-Munsee Community may recover, on a prorated basis, premiums it paid to maintain health coverage for an employee who fails to return to work from FMLA leave.

An employer's obligation to maintain health benefits during a FMLA leave stops if and when an employee informs the employer of their intent not to return to work at the end of the leave period or if the employee fails to return to work when the FMLA leave entitlement is exhausted. The employer's obligation also stops if the employee's premium payment is more than 15 days late and the employer has given the employee written notice at least 10 days in advance advising the coverage will cease if payment is not received.

The employer will recover the employee share of premiums paid by employer on employee's behalf to maintain health insurance coverage while the employee is on FMLA leave.

9. Other Employment During FMLA Qualifying Leave

The Tribe allows employees to work in pre-approved second jobs during an FMLA leave as long as the basis for their leave does not prevent the other employment. For example, if an employee takes leave because of a bad back, then the employee may not have another job lifting heavy materials.

10. Return from FMLA Qualifying Leave

Employees returning from leave will be reinstated to the same or equivalent position, with equivalent pay, benefits, and other terms and conditions of employment. Failure to return to work may result in termination of employment. Employees returning from a leave for a serious health condition must provide the manager and Human Resources with a certification from a

health care provider documenting their fitness to return to work. If an employee is not able to return to work at the end of the FMLA qualifying leave, the employee may apply for a leave of absence without pay.

For more information about family/medical leave, contact the Human Resources Department.

LEAVE OF ABSENCE WITHOUT PAY (Non-Council Member)

Employees may request an unpaid leave of absence. Employees must have exhausted all other leave, including PTO and/or FMLA leave, prior to requesting the leave of absence. The Stockbridge-Munsee Community is not obligated to grant a leave of absence. If a leave of absence is granted, the employee is not guaranteed the same job position upon his/her return to work.

An employee in their 120-day orientation period is not eligible to apply for a leave of absence.

Any request for leave of absence must be made in writing at least ten (10) days prior to the proposed leave, when foreseeable, stating a definitive period of time not to exceed 30 days and must be approved in advance by the employee's Manager, Director, Casino General Manager, and Human Resources.

During an approved leave of absence, the employee is responsible for the payment of the entire premium for his/her individual coverage and dependent health insurance coverage (if applicable) for that month at the beginning of the month. If the employee does not make the required payment at the beginning of the month as required, the coverage will be terminated. If an employee accepts other employment during an approved leave of absence, the leave of absence will be terminated.

VOTING

An employee unable to vote during non-working hours shall be granted reasonable time off work with pay to vote in any tribal, federal, state, or local election, provided the employee coordinates in advance with the supervisor and/or manager to select the time least likely to interfere with the employee's work duties.

MILITARY LEAVE AND FURLOUGH

The Tribe provides for military leaves of absence and/or military furloughs for employees that are in the United States uniformed services in accordance with federal law.

Military Leave of Absence

Employees may take a military leave of absence from their employment with the Tribe for a period of up to three (3) months. An employee who presents official orders requiring attendance for a period of training or other active duty as a member of the U.S. uniformed services or who is inducted into or enlists in the U.S. uniformed services will be entitled to a military leave of absence. An employee's military leave of absence may be for a period not to exceed three (3) working days beyond the official assignment.

An employee is eligible for supplemental pay for up to two (2) weeks of military leave of

absence, provided that he/she has completed one (1) year of service with the Stockbridge-Munsee Community. Supplemental pay is defined as that amount of pay necessary, when added to the military pay received during that same period of leave, to bring the employee to their current salary level. If the employee elects to utilize his/her PTO during the time that the employee is on military leave with supplemental pay, then the employee will receive both the PTO pay and, if eligible, the supplemental pay.

Military Furlough

An employee will be considered to be on a military furlough if he or she will be on active military duty for a period of more than three (3) months or if the employee has notified the Tribe that he or she is leaving his or her job to enter into active military service in a branch of the U.S. uniformed services. Employees who are on military furlough are eligible for reemployment upon completion of such military service in accordance with federal law. Applications for reemployment after military furlough must be submitted in a timely manner in accordance with federal law.

Reemployment

When an employee returns from a military leave of absence or a military furlough, if eligible for reemployment, the employee will be restored to the same or a comparable position and benefits (including continuous service date, status, and pay) that he or she would have attained if the employee had not been absent due to military service.

Health Insurance

When an employee has a military leave of absence for fewer than 31 days, the employee is only responsible for the employee share of any health insurance premiums. When the employee has a military leave of absence for 31 or more days or is on military furlough, the employee will be responsible for the payment of the entire health insurance premium. If an employee goes on military furlough, the employee has the right to elect to continue health insurance coverage for him or herself and his or her dependents for up to 24 months in accordance with federal law.

WORKER'S COMPENSATION

Employees of the Stockbridge-Munsee Community receive worker's compensation in accordance with the Stockbridge-Munsee Worker's Compensation Ordinance. Employees receive worker's compensation benefits when an injury is sustained in the course of or as a result of his/her employment with the Stockbridge-Munsee Community.

Reporting

Employees must report all work-related injuries to their supervisor, Human Resources, Occupational Nurses, or another appropriate person, within forty-eight (48) hours of the time of injury or diagnosis of an occupational disease. Supervisors must report all injuries to Human Resources immediately.

Medical Treatment

The Stockbridge-Munsee Health and Wellness Center must be used for medical treatment and follow-up appointments when an employee sustains a work-related injury, except in emergency situations or with prior approval.

Effects on Continuous Service Date

Any time lost by an employee due to a work-related injury covered by worker's compensation will be credited as active service for all Stockbridge-Munsee Community benefits.

Return to Work

The Stockbridge-Munsee Community has a policy of returning an employee to work as soon as released for duty. If necessary, the Tribe will make reasonable efforts to find a light duty post or make reasonable accommodations to allow the employee to return to work, provided that the reasonable accommodation does not cause undue hardship to the Stockbridge-Munsee Community and does not violate other Tribal law. Reasonable accommodations or light duty posts should not be viewed as offers of revised regular job positions. Employees who find temporary light duty employment when such work is not available with the Tribe, shall notify Human Resources of such employment.

Effect of Other Leave

FMLA will run concurrently with benefits provided by Worker's Compensation. Employees are not guaranteed to return to the same or equivalent job position if the worker's compensation leave lasts longer than the FMLA leave period.

REDUCTION IN WORKFORCE

It is the policy of the Stockbridge-Munsee Community that if it must reduce employment because of adverse economic or other conditions, layoffs and recall from layoffs will be consistent with the Employment Preference Ordinance. After the Employment Preference Ordinance is applied and department needs are considered, employees within each affected unit are to be selected for layoff based on seniority and whether there are volunteers.

UNEMPLOYMENT

The Stockbridge-Munsee Community has opted into the State of Wisconsin's Department Workforce Development Unemployment Insurance system. Employees whose employment terminated will be provided information regarding unemployment compensation.

SECTION 4 EMPLOYEE RIGHTS

The Stockbridge-Munsee Community has enacted an Employee Rights Ordinance, which recognizes and seeks to insure that employees of the Stockbridge-Munsee Community enjoy a stable working environment and protection of their rights. Please refer to the Employment Rights Ordinance for further information. <http://www.mohican-nsn.gov>

ANTI-HARASSMENT POLICY

The Stockbridge-Munsee Community expects all employees to accomplish their work in a business-like manner. In order to maintain a non-discriminatory atmosphere, the Community prohibits harassment of fellow workers.

All forms of harassment that interfere with job performance or create a hostile or offensive

working environment are prohibited. A hostile or offensive working environment requires harassment that is frequent or severe. The Supreme Court has defined this in the context of Title VII of the Civil Rights Act as "When the workplace is permeated with discriminatory intimidation, ridicule, and insult that is sufficiently severe or pervasive to alter the conditions of the victim's employment and create an abusive working environment, Title VII is violated." *Harris v. Forklift Systems, Inc.*, 510 U.S. 17, 21, 114 S.Ct. 367, 370 (1993). "Conduct that is not severe or pervasive enough to create an objectively hostile or abusive work environment-an environment that a reasonable person would find hostile or abusive-is beyond Title VII's purview." *Harris*, 510 U.S., at 21, 114 S.Ct., at 370, citing *Meritor*, 477 U.S., at 67, 106 S.Ct., at 2405-2406.

Sexual harassment is prohibited and means unwelcome sexual advances, unwelcome requests for sexual favors, and unwelcome physical contact of a sexual nature or unwelcome verbal or physical conduct of a sexual nature. Sexual harassment includes conduct directed by a person at another person of the same or opposite sex. Unwelcome verbal or physical contact of a sexual nature includes, but is not limited to, deliberately and repeatedly making unsolicited gestures or comments of a sexual nature, displaying offensive sexually graphic materials, verbal or physical conduct of a sexual nature, whether or not repeated, that is sufficiently severe to interfere substantially with an employee's work performance or to create an intimidating, hostile or offensive work environment.

Harassing conduct in the workplace, of a sexual or non-sexual manner, will not be tolerated by the Stockbridge-Munsee Community. Any employee who believes they have experienced a violation of this Section shall immediately report such violation to the Employee Relations Representative on the required forms.

The Stockbridge-Munsee Community believes that a violation of this Section must be dealt with immediately and responsibly. Therefore, the Employee Relations Representative will review all reports promptly, thoroughly, and impartially, and investigate when merited by the circumstances.

In the event there is a conflict of interest due to a family or personal relationship with any party, the investigation will be conducted by another member of the Tribe's Legal Department and in the event that a conflict still exists, then an outside attorney will be appointed by the Tribe's Legal Department.

The Stockbridge-Munsee Community will not presume innocence or guilt until a complete review has been completed and, when warranted, an investigation. The Employee Relations Representative, or designated investigator, will make all attempts to complete the initial review within seven (7) calendar days of the complaint. If an investigation is warranted, a timeline for completion shall be shared with the employee that filed the complaint, the employee whom allegedly violated this Section and appropriate members of the supervisory chain of command (short of Tribal Council) along with the pertinent Human Resources Manager. The determination of whether the allegations are substantiated or not by the Employee Relations Representative or designated investigator will be shared with the same persons. If the investigation finds facts to support the allegations made in the complaint, it is the responsibility of the immediate supervisor, in consultation with the Human Resources Department, to issue the proper disciplinary and corrective action in a timely manner.

Any bad faith or frivolous accusations of harassment will be subject to disciplinary action.

The Stockbridge-Munsee Community will not tolerate any retaliation against any employee who files a complaint or provides information related to the complaint. Complaints and information learned during an investigation will be held in confidence to the extent possible as circumstances permit. If there is an investigation, the Stockbridge-Munsee Community requires the cooperation and assistance of the employees to provide complete and accurate information.

Prohibition on harassment applies to everyone in the workplace – Tribal Council, management, supervisors, coworkers, contractors and vendors.

SECTION 5 WORK POLICIES AND REGULATIONS

PERSONAL APPEARANCE/CLOTHING/UNIFORM

Appropriate attire enhances an employee's effectiveness in providing superior service. Each employee personally represents the North Star Mohican Casino and the Stockbridge-Munsee Community and is required to dress and groom in a manner appropriate for his/her work area. For uniformed positions, only company-issued garments are worn on the job and uniforms are complete, as outlined in each department's operation manual. In special circumstances, managers may permit employees to wear pants that are not company issued, but they must be consistent with the color and style of the department. Employees are prohibited from socializing "off duty" in public while in uniform.

Because we work with the public, it is imperative that employees always present a professional image. Employees are expected to bath regularly and be free of body odor, other odors, and excessive perfumes and colognes. Fingernails should be kept clean and well groomed. Hair should be neatly groomed and kept away from covering face and beards or mustaches must be kept neat and trimmed. If a tattoo or piercing is found to be sexually explicit or obscene, the employee must cover it while on the job.

Refer to Casino Star Service Standards for complete list of professional appearance and grooming requirements.

Updated 08/16/2022

GENERAL RULES OF CONDUCT

- Employees are not allowed to leave the gaming premises while working, except for an emergency and with approval from the immediate supervisor.
- Hustling for tips is prohibited.
- Employees entering or exiting the building with bags, boxes, or containers are required to cooperate with security dispatch and display the contents of those items when asked.
- Loitering is not allowed. Employees present on the gaming property are to be working, attending a scheduled meeting, training, or appointment, or are picking up their pay check. When an employee is on a disciplinary suspension, they are not allowed to be present on the gaming property unless they have an appointment. The employee needs to take care of business and leave the building.

- Rude or immature behavior, profanity, spreading rumors, and horseplay while on duty or in uniform is prohibited.
- North Star Mohican Casino operates in accordance with the Tribal State Gaming Compact, Gaming Ordinance, and operations manual of each department. Employees are encouraged to make recommendations to the Department Manager for improving procedures; employees should not develop individual short cuts on their own.

DRUGS AND ALCOHOL

The Stockbridge-Munsee Community is a drug free workplace and strictly enforces its substance abuse policy that incorporates the provisions of the Drug-Free Workplace Act of 1988. All employees must abide by the terms and conditions of this policy while employed by the Stockbridge-Munsee Community. In this regard, employees are required to read the policy and sign a statement acknowledging their understanding of the policy and intent to follow the policy. This policy will be provided to each employee during their orientation.

Any employee who reports for work or who is at work is subject to chemical screening and/or blood-alcohol testing to determine the presence of alcohol or unauthorized drugs in the body. The general categories of drug testing shall include the following types of tests: (1) pre-employment testing, (2) random testing of employees, (3) reasonable suspicion testing, (4) accident or unsafe practice testing, and (5) follow-up testing. The types of testing to be used shall include any test that is available to detect the use of presence of any illegal drug or alcohol. The choice of the type of test shall be at the discretion of the Stockbridge-Munsee Community.

Employees are prohibited from using, possessing (including drug paraphernalia), selling, dispensing, distributing, manufacturing, being under the influence of illegal drugs, or inappropriately using controlled substances at any time. During scheduled work hours, employees are not allowed to consume, possess or be under the influence of alcoholic beverages. Reporting to work under the influence of alcohol is strictly prohibited. An employee reporting to work suspected of being under the influence of alcohol, an illegal drug, or inappropriately using a controlled substance may be subjected to an alcohol and/or drug test.

Appropriate use of prescribed medication is not restricted under this policy; however, if such medication will in any way affect an employee's job performance, the employee must notify their immediate supervisor about the medication prior to the start of their regular shift. The employer may also request that the employee provide written notification from the doctor stating the employee is on such medication and whether it restricts the performance of the employee's job duties.

Employees who are charged and/or convicted of any criminal drug violation occurring in the workplace must report it to Human Resources within 5 days of the charge or conviction.

If the employer suspects that the employee is tampering with the testing process, the employer may authorize a witnessed collection. Employees who tamper with the test process will be subject to employee corrective action.

An employee's refusal for a suspicious drug test will be considered a positive drug test. The

following will be considered refusals.

- Failure to cooperate with the testing process in a way that prevents the completion of the test.
- Engaging in conduct that clearly obstructs the testing process.
- Failure to sign the testing forms (if the tested individual did not already take the test).
- When an individual subject to a post-accident test leaves the scene of the accident before being tested (except, for example, when necessary to receive medical treatment) and is not reasonably available for testing.
- Physical inability to complete the test within three (3) hours of reporting for test.

Random Employee Drug Testing

Random testing for drugs will be done periodically. A certain percentage of names will be chosen from the list of active employees and those employees will be tested immediately upon notification. Employees who are chosen for testing will be contacted while in the workplace and will be required to report for drug testing. If an employee is not at work, on leave or on travel status, their name will be held until they return to work, and they will then be contacted to report for testing. Employees will not be called at their home for random testing.

An employee's refusal for a random drug test will be considered a positive drug test. The following will be considered refusals:

- *Failure to cooperate with the testing process in a way that prevents the completion of the test.*
- *Engaging in conduct that clearly obstructs the testing process.*
- *Failure to sign the testing forms (if the tested individual did not already take the test).*
- *When an individual subject to a post-accident test leaves the scene of the accident before being tested (except, for example, when necessary to receive medical treatment) and is not reasonably available for testing.*
- *Physical inability to complete the test within three (3) hours of reporting for test.*

The first time an employee tests positive or refuses the test, the employee will be offered assistance through our Employment Assistance Policy (EAP) as a requirement for continued employment with the Tribe. However, a confirmed positive drug test during the initial 120-day orientation period results in the termination of employment and not a referral to the EAP. Following a positive drug test, if an employee tests positive for drug use or refuses testing within a 3-year period from the last failed drug test, employment will be terminated. If employment is terminated for a second positive drug screening, the individual will not be eligible to apply for any position with the Stockbridge-Munsee Community for a period of one (1) year from the effective date of termination.

Employees may be subject to up to three (3) random drug tests per a 12-month rolling calendar year.

The first time an employee tests positive or refuses the test, the employee will be

mandated to our Employment Assistance Policy (EAP) counseling as a requirement for continued employment. If an employee refuses EAP, employment shall be terminated. Following a positive drug test, if an employee tests positive for drug use or refuses testing for a 2nd time within a 3-year period from the previous test, the employee shall be directed to mandatory EAP Counseling. If an employee refuses EAP, employment shall be terminated. After a 2nd positive drug test, employees will be placed in the random drug testing program for a period of 12 months from the date of the 2nd positive drug test. Employee may be randomly tested or at Employer's discretion up to 4 times during that 12-month period. If an employee tests positive for drug use or refuses testing for a 3rd time within a 3-year period from the first failed drug test, employment will be terminated. If employment is terminated for a positive drug screen or refusal to attend EAP, the individual will not be eligible to apply for any position with the Stockbridge-Munsee Community for a period of one (1) year from the effective date of termination.

Reasonable Suspicion & Follow-Up Testing

At any time during employment with the Stockbridge-Munsee Community, management may request that an employee take a drug/alcohol test if there is a reasonable suspicion that the employee is in violation of the Community's drug/alcohol policy. Evidence sufficient to justify reasonable suspicion may include, but is not limited to, a drug related arrest or conviction, reliable information or evidence that previous drug tests were tampered with, possession of drug paraphernalia and/or open containers of alcohol, detection of alcohol on breath or clothes, lapses in job performance or other physical evidence of being under the influence of drugs or alcohol. Follow-up testing occurs when a drug or alcohol test is conducted based on a previous positive drug/alcohol test of an employee.

An employee may be subject to more than three (3) drug tests per year as part of reasonable suspicion and/or follow-up drug testing. It is the discretion of the Human Resources Manager/Director, when reasonable suspicion or follow-up testing will be administered to an employee.

Testing When Work-Related Injury Occurs

An employee who has an accident on the job may be subject to a drug and/or alcohol test. An employee who has an accident while operating a tribal vehicle will be required to submit to a drug and/or alcohol test.

EMPLOYMENT ASSISTANCE POLICY ("EAP")

General Policy

The Stockbridge-Munsee Community recognizes that personal problems often have an adverse effect on an employee's job performance. It is also recognized that most personal problems can be dealt with successfully when identified early and referred to the Employee Assistance Program and further referred to an appropriate program or agency. This is effective in retaining valued employees and decreasing employee turnover rate. The objective of the Employee Assistance Program ("EAP") is to assist all employees with personal problems that may have affected the employee's job performance. The employee is responsible to cover any costs associated with EAP. Some EAP costs may be covered by insurance or other sources.

The Tribe will take steps to reasonably accommodate an employee that wishes to participate in EAP. Information related to participation in EAP will be held in confidence to the extent possible.

Eligibility

The EAP is available to all employees of the Stockbridge-Munsee Community and family members.

Problems Addressed by EAP

The EAP may render assistance with problems and situations such as: AODA (Alcohol and Other Drug Abuse), personal issues including health, financial, family, marital, compulsive gambling, mental health, and other problems which may be affecting an employee's job performance. The Tribe strongly encourages individuals to come forward on a voluntary basis and seek assistance when they have problems that are interfering with their job performance.

PERSONAL BELONGINGS

The Stockbridge-Munsee Community recognizes an employee's desire to display personal mementos, family photographs or other personal items. While the Stockbridge-Munsee Community can take no responsibility for the safekeeping of these items, it welcomes its employees to personalize their work areas for added comfort and enjoyment. However, the following guidelines must be observed:

- Safety comes first - No object can interfere with job safety as viewed by management.
- Items may not be displayed on the gaming floor or in shared work areas.
- Nothing can be displayed that is derogatory or offensive to any person or system of beliefs.
- Objects that are inappropriate or hinder work efforts will not be allowed and must be removed upon request.
- Employees are not allowed to deface tribal property.
- The Tribe reserves the right to prohibit personal belongings that may disrupt work environment or pose a safety risk.
- The Tribe reserves the right to inspect personal belongings that are at the workplace.

BREAK AREA

The casino break room is the only designated break area that gaming employees can use for their scheduled breaks and/or lunch period. Although the Tribe provides a housekeeping staff, it is up to the individual employees to keep their break areas neat and clean, so clean up after yourself!

NO SMOKING POLICY

Smoking is allowed in the North Star Mohican Casino employee smoking break room and designated outdoor employee area. Smoking areas must be kept free of litter. Smokers have a special obligation not to abuse break and work rules. Employees are prohibited from smoking in all areas except for the smoking break room and the designated outdoor employee area.

SAFETY EQUIPMENT

Employees will be provided with safety equipment if it is a requirement for a particular job.

Personalized safety equipment, such as steel-toed shoes, may be required at the employee's expense. Equipment issued by the Tribe will be signed for by the employee and replaced at the employee's expense if lost, damaged or stolen as a result of the employee's negligence. The Tribe will replace tribal-owned safety equipment that is found to be defective or worn out. Employees that are provided safety equipment are required to use that equipment. Employees shall take all reasonable precautions to perform their work in a safe manner.

TOOLS AND EQUIPMENT

The Stockbridge-Munsee Community generally furnishes all necessary tools and equipment to complete job assignments. Each employee is reminded that all items purchased by the Stockbridge-Munsee Community are the property and therefore valuable assets of the Tribe. It is the responsibility of the employee to whom tools and equipment are assigned to maintain and safeguard these assets as if they were his/her personal property. This applies to office equipment and supplies, as well as other tools and equipment. Such tools may not be used for personal use.

Certain employees may be required to carry and use sensitive keys to perform their jobs in specific departments. Such keys are the property of North Star Mohican Casino and must not be removed from the premises. The keys are stored in an access-controlled key room and must be checked in and out from the key room by the employee who needs to use the key daily.

An inventory of tools and equipment will be made periodically. If it is determined that an employee is negligent in the proper storage of tools, materials or supplies or they are misplaced or stolen, the employee may be asked to replace the same at fair market value or the cost of the item will be deducted from the employee's paycheck.

When leaving a work area, it is required that all tools be placed in their designated storage areas or removed from the work area and secured in locked storage, where available.

CARE OF EQUIPMENT AND FACILITIES

All employees should be concerned with the care and safe use of equipment and facilities owned by the Stockbridge-Munsee Community. Good housekeeping is expected of every employee.

FUNDRAISERS/RAFFLES

Employees involved in such efforts must first get the consent of management before conducting such effort on the gaming property. All such efforts will be made to follow a strict guideline while being conducted on the property. Consent for allowing such efforts on the gaming property will be limited to school, civic, or community-based activities. The conduct of such efforts will be limited to the employee break rooms and the receptionist area and during the scheduled break times only.

SELLING OF ITEMS/PERSONAL PROPERTY

Employees may post advertisements for sale on the employee bulletin board. Employees may not bring the physical item(s) to the gaming property for display. The conduct of such efforts, including magazine-based sales, will be limited to the employee break rooms, administrative reception area and during scheduled break times only.

SOLICITATION

Solicitation and distribution of goods or literature by non-employees on the premises is prohibited and employees may only participate in such activities on the premises as authorized by management.

PARKING

An adequate parking area is provided for employees. Please cooperate by not blocking any gate, driveway or the dock of any shipping and receiving area. The Stockbridge-Munsee Community assumes no responsibility for an employee's vehicle or the contents of the vehicle while on the property of the Stockbridge-Munsee Community and will not be liable for any damage to or theft of any vehicle or personal property left in vehicle while in parking area.

SECURITY

All doors, files, desks, gates and any other equipment with locks must be kept locked securely when not in direct use and at the end of each day. Locks should be checked regularly. Vehicles should be kept locked at all times when not in use. Employees may be assigned responsibility for keys and/or access cards. Lost keys must be reported to your supervisor immediately. Any concerns about security should be directed to immediate supervisor. For more information, see the applicable security and/or key policies.

TRAINING AND JOB-RELATED EDUCATION

The Stockbridge-Munsee Community will provide the training to its employees that it deems necessary to improve job performance, which may include in-service training and/or attendance at meetings and workshops. Within budget limitations, expenses will be paid by the Stockbridge-Munsee Community for such training.

The Tribe also encourages employees to engage in job-related education and professional development activities on their own time and expense. In support of such activities, the Tribe permits employees to be excused from work with pay for not more than four (4) hours a week for job-related education for full-time employees (this time is pro-rated for part-time employees). If an employee is excused from work for more than 4 hours a week for job-related education, the additional hours will be unpaid. Employees must obtain the department director's approval for such job-related education in advance of the absence from work in accordance with applicable tribal procedures. **The Stockbridge-Munsee Community also has some jobs that are "staff development" positions, which are subject to a separate policy.**

CHECK CASHING SERVICES

Casino and tribal employees are required to follow the check cashing procedures established for North Star Mohican Casino.

TELEPHONE USE

Each time an employee makes or receives a telephone call, they represent the Stockbridge-Munsee Community. The manner in which a call is handled determines how our customers, clients, and the general public judge the Stockbridge-Munsee Community. We have a limited number of telephone lines, and it is essential that we keep those lines open; employees should refrain from making or receiving personal telephone calls except for emergencies. Long-distance telephone calls as well as collect phone calls for personal reasons must be reimbursed by the employee.

TECHNOLOGY USE POLICY

Overview

The North Star Mohican Casino Resort (NSMCR) provides a variety of electronic communication and informational systems for use in carrying out its business. All communication and information transmitted by, received from or stored in these systems are the property of NSMCR and, as such, are intended to be used for job-related purposes only.

Employees are required to sign an acknowledgement form before receiving access and or issuance to the various systems and communication equipment in use at NSMCR. The following summary guidelines regarding access to and disclosure of data on any NSMCR electronic communication system will help you better determine how to use these systems in light of your own and the company's privacy and security concerns. The following are only guidelines; employees should contact the Information Technology (IT) department for more detailed information.

The IT department maintains and monitors users and usage under the guidelines established by the Computer, Technology and Cell Phone Acceptable Use Policy on behalf of the NSMCR.

Monitoring

NSMCR provides the network, personal computers, internet, email and other communication devices for your use on company business. NSMCR may access and disclose all data or messages stored on its systems. NSMCR reserves the right to monitor communication and data at any time, with or without notice, to ensure that company property is being used only for business purposes and in a professional manner. NSMCR also reserves the right to disclose the contents of data and email messages for any purpose at its sole discretion. No monitoring or disclosure will occur without the direction of either the Human Resources department, or executive leadership, unless otherwise noted.

Retrieval

Notwithstanding the company's right to retrieve and read any email or text messages, such messages should be treated as confidential by other employees and accessed only by the intended recipient. Employees are not authorized to retrieve or read any email or text messages that are not sent to them and cannot use a password, access file, or retrieve any stored information unless authorized to do so.

Passwords

Initial passwords are assigned by the IT department and should not be given to other staff or persons outside the organization. Employees should change the provided passwords as soon as possible using the instructions provided by the IT staff. NSMCR reserves the right to override any employee-selected passwords and/or codes. Employees are required to provide the company with any such codes or passwords to facilitate access as requested by management. Periodically, staff may be required to change their passwords. At no time should an NSMCR employee allow a temporary, contractor or another employee use of their login. In the case where an employee does provide another person access to their account, they will be responsible for the actions of the individual using their account. Passwords should not be stored in computer data files, on the network, or be displayed openly at any workstation.

Message Content

The email / text system is not to be used to solicit or proselytize for commercial ventures, religious or political causes, outside organizations or other non-job-related solicitations. The system is not to be used to create any offensive or disruptive messages. Among those which are considered offensive are any messages which contain sexual implications, racial slurs, gender-specific comments or any other comment that offensively addresses someone's age, sexual orientation, religious or political beliefs, national origin or disability. The organization's overall employee manual / code of conduct shall be considered the prevailing authority in the event of possible misconduct.

Employees should know that any data, emails, texts and other information on the system will not be deemed personal or private. In addition, the email system may not be used to send (upload) or receive (download) copyrighted materials, trade secrets, proprietary financial information, or similar materials without prior authorization.

Legal Proceedings

Information sent by employees via the electronic mail system or company cell phones (texts) may be used in legal proceedings. Electronic mail messages and texts are considered written communications and are potentially the subject of subpoena in litigation. NSMCR may inspect the contents of electronic mail / text messages in the course of an investigation, will respond to the legal process and will fulfill any legal obligations to third parties under Tribal Law.

Physical Security

Access to computer / server / IDF rooms will be limited to staff who require access for the normal performance of their jobs. Computers with sensitive information installed on the local disk drive should be secured in a locked room or office during non-business hours. Computer / Communication Equipment (including company cell phones) which is to be removed from NSMCR property must be approved in advance with the IT department, communicated to Security, and an inventory of this equipment maintained by IT. All computer / communication equipment removal from the premises (assigned to or by an individual) must be documented, including the makes, manufacturers and serial numbers on an IT supplied form, and a copy of this form shall be filed in the employees' HR folder. If the employee leaves the organization, he or she must return the equipment to NSMCR prior to the last day of employment.

Network Security

IT will monitor network security on a regular basis. Adequate information concerning network traffic and activity will be logged to ensure that breaches in network security can be detected. It will also implement and maintain procedures to provide adequate protection from intrusion into NSMCR's computer systems from external sources. No computer that is connected to the network can have stored, on its disk(s) or in its memory, information that would permit access to other parts of the network. Staff should not store personal, business, member or other credit card/account information, or passwords within word processing or other data documents.

Personal Computer Security

Only legally licensed software will be installed on NSMCR computers; users are expected to read, understand and conform to the license requirements of any software product(s) they use or install. Software cannot be copied or installed without the permission and involvement of the IT department. IT will configure all workstations with virus protection software, which should not be removed or disabled. Each employee is responsible for protecting their computer against virus attack by following IT guidelines for scanning all incoming communications and media, and by NOT disabling the anti-virus application installed on their workstation computer. All informational storage devices (flash drives, memory sticks etc.) and files entering or leaving NSMCR should be scanned for viruses. All staff will log out of the network and turn their computers off before leaving the office for the business day / night. Staff should log off the network when they are away from their desk / workstation for an extended period.

Backup Procedures

All Data should be saved to your network home drive. This will insure that all of your computer projects and critical information (data) is backed up nightly on NSMCR server systems. Data stored on the local PC drives is not routinely backed up, and as a result, important data and applications should not be stored on the C: drives of these machines. Computer users will be responsible for ensuring that the data stored on their office and/or workstation computer is backed up as required by NSMCR / departmental operating procedures.

Access to NSMCR Computers

NSMCR will provide computer accounts to all NSMCR staff on a needed basis. External people who are determined to be strategically important to NSMCR, such as temporary / contracted staff, contractors will also be provided accounts as appropriate, on a case-by-case basis. The employee managing the temporary / contracted employee and/or contractor assumes responsibility for the identification of access requirements and use of the account. Accounts will be revoked on request of the user or manager or when the employee terminates employment, or the contract terms have expired at NSMCR.

Software Usage

Employees are expected to use the standard software provided by IT or identify IT applications they need in the course of their work. Staff members are not permitted to download applications, demos or upgrades without the involvement of IT. Employees will use the standard email system provided by NSMCR for official email communications and are to not install their own email systems. Additionally, use of instant messaging and or social media programs (aps) on

company computer and cell phones are prohibited unless otherwise approved by management for business related purposes.

Company Cell (includes smart phone) Usage

NSMCR provides company issued cell phones to Management and other key staff to conduct business related activities while out of the office, without access to landline phones, and during non-traditional office hours. As the issued cell phone is an extension of the workplace computer and network access; all the responsibilities, requirements, limitations and acceptable uses associated with company computers, networks and email systems also apply to the use of company issued cell phone.

The use of company issued cell phones for personal usage is discouraged by the company. In addition, the issuance of a company cell phone is not intended to supplement or replace the employee's need to maintain personal forms of communication and or informational resources such as a personal cell phone, home internet, and or a land line phone in the home to be used as needed for personal and or non-business activities.

The intended use of the camera feature on company issued cell phones is for business purposes only. Taking pictures of inappropriate subject matters or of individuals without their expressed consent and or knowledge is not only a violation of this use policy such actions may also likely be in violation of NSMCR harassment policies or result in a violation of several state/federal/tribal laws which may subject the user to criminal proceedings without legal representation from NSMCR or the Stockbridge-Munsee Tribe.

Employees who have been issued a company cell phone are prohibited from sending/reading text messages, engaged in internet uploads (sending) or downloads (reading) while operating a company vehicle or operating a personal vehicle during the course of conducting company business. If while operating a vehicle you have a need to make or take a call, email or text; you should pull the vehicle over in a safe manner to an area out of immediate vehicle traffic then and only then proceed with making or taking a call, email or text.

Personal Cell Phone (includes smart phone) Usage in the Work Place

NSMCR prohibits the use of non-company issued cell phones by its staff while on the casino resort property and/or during scheduled work time. Staff members are prohibited from carrying personal cell phones on their persons during scheduled work time. Staff members may store their personal cell phones in their company issued locker and are permitted to use their personal cell phone during scheduled breaks and only in designated employee break areas.

Failure to comply with all components of the Electronic Communications and Information Technology Employee Acceptable Use Policy may result in disciplinary action up to and including termination of employment. Any employee who does not understand any part of the policy is responsible for obtaining clarification from his or her manager or the Human Resource Manager. (approved by S/M Tribal Council 2/5/13)

SOCIAL MEDIA POLICY

Employees are expected to use social media (Twitter, Facebook, blogs, etc.) in a responsible way. Postings related to employment by the Tribe which contain vulgar or obscene material, are threatening, or which violate any tribal laws or policies no matter when or where they occur are prohibited. Employees are expected to honor, when made, another employee's request not to communicate with them via social media. Any intentional misrepresentation of the Tribe's operations or services is strictly prohibited. Employees shall not, in any circumstances, use social media or other means to disclose confidential information or the identity of any individual participant in a program administered by the Tribe, including name, address, family members, photographs or other personal information. Employees are not allowed to use or otherwise access tribal equipment, including but not limited to computers, company-licensed software or other electronic equipment to conduct personal blogging or social networking activities. Employees are not allowed to engage in blogging or social networking during working time, however, this prohibition does not extend to approved breaks or other times that the employee is not expected or required to be working. Use of the term "Tribe" in this paragraph refers to the Tribe and all of its business entities, including but not limited to the Mohican North Star Gaming and Resort, Little Star Convenience Store, Pine Hills Golf Club, and Mohican LP. (approved by Tribal Council 5/6/14)

WORK ENVIRONMENT

The Stockbridge-Munsee Community seeks to maintain a safe, healthy and secure workplace, in part by promoting open, friendly, respectful, and supportive working relationships among all employees. Workplace violence, threats of violence or intimidation have no place in our operations and such disruptive activities are not permitted. Secretly recording co-workers or other individuals is not permitted (this does not apply to approved security and investigation systems). Employees, other than authorized law enforcement personnel, are prohibited from bringing any weapons into the workplace. If an employee has a problem that is creating stress or otherwise making him or her agitated, the employee should report and discuss it with his or her supervisor and/or the Human Resources Department.

ENERGY PRESERVATION AND WASTE PREVENTION

Waste of energy and materials is costly to the Stockbridge-Munsee Community and ultimately results in losses that must be paid for by other cost reduction actions. Employees are expected to participate in office recycling programs and abide by any other programs developed for energy preservation and waste prevention.

USE OF TRIBAL FACILITIES AND BUSINESSES

The Stockbridge-Munsee Community recognizes that public perception of our operations is very important to our success and reputation. Employees, whether on-duty or off, shall not be disruptive, disrespectful, or rude to employees or patrons at tribal facilities and businesses and shall conduct themselves in a courteous and business-like manner.

TIP POLICY

In order to ensure all wages earned by employees are reported as income, North Star Mohican Casino requires all tips received by employees through the course of employment to be turned in for redistribution on their paycheck after the appropriate deductions. Refer to departmental operations manuals for procedures for tips. Employees not turning in tips for wage reporting will be subject to disciplinary action. Some employees, as identified in departmental operations manuals, are not allowed to accept tips.

SECTION 6 CONFLICTS OF INTEREST AND ETHICS

It is the policy of the Stockbridge-Munsee Community to prohibit its employees from engaging in any activity, practice, or conduct which conflicts with, or appears to conflict with, the interests of the Stockbridge-Munsee Community, its customers or its suppliers. Despite the fact that Tribal Council and Tribal Secretary are not characterized as "employment positions," the Tribe has an expectation that the conflict of interest and ethics requirements in this Employment Manual will be respected and followed by the individuals who hold these positions. Since it is impossible to describe all of the situations that may cause or give the appearance of a conflict of interest, the prohibitions included in this policy are not intended to be exhaustive, but merely provide some examples.

(1) Employees are expected to represent the Stockbridge-Munsee Community in a positive and ethical manner. Thus, employees have an obligation to avoid conflicts of interest and to refer questions and concerns about potential conflicts to their manager. Management and employees who have contact with customers and suppliers may be required to sign a special statement acknowledging their understanding of and adherence to this policy.

(2) Employees must disclose any financial interest or business or personal relationships they or their immediate family have in any person, firm, contractor or supplier that does business with the Stockbridge-Munsee Community or that competes with the Stockbridge-Munsee Community. The Stockbridge-Munsee Community may require divestiture of the interest if it considers the financial interest to be in conflict with its best interests.

(3) Employees and their immediate families may not accept gifts, except those of nominal value (not to exceed \$50.00), or any special discounts, loans, excessive or unusual entertainment, or other favors (valued in excess of \$50.00), from any person, firm, contractor or supplier doing, or seeking to do, business with the Stockbridge-Munsee Community. This does not include discounts that may be negotiated by the Tribe on behalf of employees with a specific vendor or service. Gifts that exceed this value should be refused or provided to the Tribe for redistribution, as appropriate.

(4) Employees may not give, offer, or promise, directly or indirectly, anything of value to any representative of a customer, of a potential customer, or of a financial institution in connection with any transaction or business that the Stockbridge-Munsee Community may have with that customer, potential customer or financial institution.

(5) Employees shall not use tribal assets inappropriately or for their own personal use or gain, either as a part of the job or while off the job. Employees shall not engage in work for another employer or for a personal business during tribal work hours. Employees that oversee a program may use or benefit from that program but shall not have any involvement in the management or handling of their own personal case or account. Employees shall consult with their manager as soon as reasonably possible about such situations or when dealing with the case or account of immediate family members.

(6) No employee shall employ or use any person, money, or property under the employee's official control or direction, or in his or her custody, for the private benefit or gain of the employee or another person.

(7) Employees must disclose any conflict or potential conflict of interest to the Stockbridge-Munsee Community. Failure to do so will result in discipline up to and including termination of employment.

OUTSIDE EMPLOYMENT

Although outside, non-tribal employment is not encouraged, the employee may accept work with another employer as long as:

- The employee continues to perform their job in a satisfactory manner.
- The employee's availability to work necessary and/or required hours and shifts for the Tribe is not affected.
- The association with the other employer does not have a negative effect on the Tribe.
- Employment at a competing gaming facility shall be deemed a conflict of interest.
- The Casino General Manager shall resolve questions about whether a conflict of interest exists. If the case involves the Casino General Manager, the Mohican Gaming Commission shall make the determination.

CONFIDENTIALITY

Employees may learn proprietary, sensitive and/or confidential information relating to finances, gaming, business systems, medical records, personnel records, legal matters and other governmental and/or business matters while working for the Tribe. Information shall not be transmitted, removed, revealed, or discussed, except as necessary in the course of an employee's duties. An employee should consult their immediate supervisor about what is considered confidential or when it may be revealed. Employees will not store or keep any work-related information outside the workplace in either written or electronic form, except as necessary to do his or her job. Employees shall take all appropriate precautions to keep confidential information secure at all times.

Employees may be required to sign a confidentiality agreement as part of their employment with the Tribe. A person's obligation to keep material confidential shall continue even after the person is no longer employed by the Tribe.

INTELLECTUAL PROPERTY RIGHTS

The Stockbridge-Munsee Community owns and retains all intellectual property rights to any ideas, inventions, processes, or devices developed by an employee in conjunction with and/or as

a result of his/her employment with the Stockbridge-Munsee Community and put into an express form during that employment.

FAMILY RELATIONSHIPS

It is important that the employment relationship be based on fairness and objectivity. The Stockbridge-Munsee Community recognizes and accepts that some employees may supervise or be supervised by family members (the following people are considered family members for purposes of this relationship policy – spouse, cohabitant, children, parents, grandparents, grandchildren, parents-in-law, siblings, and any other persons living in the home). However, the Tribe reserves the right to consider family relationships in those jobs that pertain to internal control measures for fiscal and/or asset management. In addition, employees will not participate in employment actions or investigations involving family members.

NON-FRATERNIZATION POLICY

A manager or supervisor who becomes romantically involved with someone he/she supervises, subjects himself/herself and the organization to complaints of favoritism and possible claims of sexual harassment. Due to the highly regulated nature of gaming operations, the Stockbridge-Munsee Community d.b.a. Mohican North Star Gaming and Resort (“Casino”) has deemed it appropriate to adopt this non-fraternization policy in relation to Casino employees.

In order to prevent fraternization with a subordinate employee, it is the policy of the Casino that managers, supervisors, or any other employee who has the authority to directly affect the terms and conditions of another’s employment shall not fraternize with such employees. Fraternization for purposes of this policy shall include dating, romantic involvement, or sexual relations. The Casino does not intend this fraternization policy to otherwise discourage platonic friendship or social activities among employees.

The Casino recognizes that the question of whether a relationship constitutes fraternization or simply a social relationship is a very personal issue. However, because of the potential for inappropriate conduct, employees are encouraged to bring any questions they may have regarding fraternization to the Human Resource Manager. (Approved by Tribal Council 6/21/11)

GAMING EMPLOYEE ENTERTAINMENT POLICY (revisions approved Tribal Council 8/20/19)

It shall be the policy of the Stockbridge-Munsee Tribe to allow certain tribal gaming employees to participate in gaming conducted at tribal gaming facilities within the boundaries of the Stockbridge-Munsee reservation. The tribe has determined that certain limitations shall be implemented to protect the integrity of tribal gaming operations from any perceived collusion or wrongdoing. Indian Gaming is a highly scrutinized business, and the Stockbridge-Munsee Community recognizes that public perception of our gaming operations is very important to our success and reputation; therefore, the following rules shall regulate gaming by tribal gaming employees and designated tribal employees to ensure the integrity of the games conducted by the Tribe.

The Tribe’s gaming facilities are defined (for implementation purposes) as North Star Mohican Casino and Mohican Bingo. Tribal gaming employees are allowed to play at the North Star Mohican Casino Resort with the following restrictions:

1. Tribal gaming employees shall not game while “on the clock”, gaming is strictly for non-working hours, and employees shall not game wearing their gaming work attire.
2. Tribal gaming employees shall not play any progressive gaming machines offered by the Stockbridge-Munsee Tribe.
3. Tribal gaming employees are prohibited from participating in any of the Star Club players’ rewards offered at the Casino or Bingo venues to include: player point’s accumulation, coupon redemption, or any promotional activities. Furthermore, gaming employees may not enroll or use a players’ club card or any other customer’s player cards including those of family or friends.
4. Tribal gaming employees shall not purchase or play any pull tabs or scratch offs.
5. Tribal gaming employees shall not be disruptive, disrespectful, or rude to gaming facility employees or patrons while gaming.
6. Tribal gaming employees shall not conduct any Casino business while on site as a customer of the Casino, the highest-ranking employee on staff shall be the designated departmental contact.
7. Alcoholic beverages may be “consumed responsibly” by gaming employees (outside their scheduled work hours), as they patronize the restaurants, bars, Bingo, and Event Center. **Alcoholic consumption at these venues is a privilege and any related incidents or disturbances could reflect negatively on the reputation of Mohican Gaming and may result in a temporary or permanent loss of privilege for the employee(s) involved.**
8. Due to the potential access to sensitive information the following employment positions at the Casino will not be permitted to game at the Casino or Bingo facilities:
 - General Manager
 - Directors
 - CFO
 - All Casino Managers
 - IT Personnel
 - Finance Personnel
 - SQL Database Marketing Analyst
 - Executive Hosts
9. In addition to tribal gaming employees the following tribal personnel shall not be allowed to game at any of the Tribe’s gaming facilities:

Gaming Commission
Gaming Auditor

Internal and Operations Auditor
 Surveillance Department
 Compliance Department

10. The following Departments will be allowed to game in the specific areas noted below
(and only those gaming areas that are designated for your department):

Slots:	Table Games	Bingo	
Drop/Count:	Table Games	Bingo	Slots
Marketing:	Table Games	Bingo	Slots
IT:	N/A		
Table Games:		Bingo	Slots
Restaurant:	Table Games	Bingo	Slots
Hotel:	Table Games	Bingo	Slots
Administration:	Table Games	Bingo	Slots
Security:	Table Games	Bingo	Slots
Cage/Vault:	Table Games	Bingo	Slots
Finance:	N/A		
Maintenance:	Table Games	Bingo	Slots
Human Resources:	Table Games	Bingo	Slots
Bingo:	Table Games	Slots	

11. If a tribal gaming employee were to help out in an area where they were allowed to game, they would not be allowed to game in that area for 30 days after the date when they worked in that area. Example, Slot Employee helps in Bingo, the Slot Employee would no longer be able to game in Bingo for 30 days from that time.

An employee who separates their employment, whether voluntarily or involuntarily, at North Star Mohican Casino is not eligible to gamble or be on the gaming floor for a period of 30 days from the employee's separation date.

The following are descriptions of disciplinary actions that will occur from violations resulting in removal or request to leave gaming property:

- 1st offense: Loss of privileges for 6-month period.
- 2nd offense: Loss of privileges permanently.

SECTION 7 CONDUCT AND CORRECTIVE ACTION

EMPLOYEE CONDUCT

The intent of this policy is to openly communicate to all employees the type of conduct that is acceptable to the Stockbridge-Munsee Community, so that undesirable conduct may be avoided. Despite the fact that Tribal Council and Tribal Secretary are not characterized as "employment positions," the Tribe has an expectation that the conduct requirements in this Employment Manual will be respected and followed by the individuals who hold these positions.

The illustrations of unacceptable conduct cited below are meant to provide specific examples of the types of conduct, which will initiate corrective action and to alert employees to the more commonplace employment conduct violations. No attempt has been made here to establish a complete list and other circumstances may arise requiring counseling or corrective action, including immediate termination of employment.

ATTENDANCE

1. Improper or unauthorized use of paid leave.
2. Excessive absenteeism, regardless of reason, the effect of which disrupts or diminishes operational effectiveness.
3. Being absent without authorized leave.
4. Repeated unauthorized late arrival or early departure from work.
5. No call-no show absence
 - This is defined as failing to call in or show-up for a scheduled shift within four (4) hours of the beginning of the scheduled shift or before the end of a required meeting unless extenuating circumstances for the absence can be shown.
 - No-Call/No-Show Due to Hospitalization or Extenuating Circumstances: A no-call/no-show absence due to hospitalization or other extenuating circumstances will not be held against an employee if they can provide appropriate backup documentation as soon as possible. Employees, or someone on their behalf, should notify their supervisor or HR at the earliest opportunity, and documentation will be requested to support the absence.
6. Tardiness
 - Tardiness is defined as arriving at work later than the scheduled start time. Employees will be allowed a 15-minute grace period for tardiness.
 - Employees who will be late for their scheduled shift need to call their departments designated office line at least 1 hour prior to their scheduled start time. A late call-in will be considered a violation of the tardiness policy.

7. Call-in:

- Employees who will be absent and miss their scheduled shift need to call their departments designated office line at least 1 hour prior to their scheduled start time.
- Doctor's Notes for Call-Ins: In cases of employee absences due to illness, employees are encouraged to provide a doctor's note to support their absence. Doctor's notes for call-ins will be welcomed and can serve as documentation for the absence. Providing a doctor's note will not be held against the employee and will be kept confidential.

8. Employee absences that are due to communicable disease consistent with the Tribal Communicable Disease policy or an applicable health order are considered excused. However, the employee is still responsible for calling in to report the absence in accordance with the Employment Manual.

Point System/Absenteeism

Regular and on time attendance is important for effective operations of North Star Mohican Casino Resort. NSMCR utilizes a point-based attendance policy.

Attendance Point System

Description	Points

15. Conduct that is a willful misrepresentation of the Tribe or its interests or willful misrepresentation to a supervisor or co-worker that negatively impacts the workplace or the best interests of the Tribe.
16. Possessing firearms, weapons, or contraband on tribal premises or on work time without authorization.

PERFORMANCE

1. Inefficiency, incompetence, or negligence in the performance of duties.

2. Refusal or inability to improve job performance in accordance with written or verbal direction after a reasonable trial period.
3. Intoxication or incapacity on duty due to the use of alcohol or drugs.
4. Unlawful manufacture, distribution, dispensing, possession or use of an illegal drug or controlled substance.
5. Driving under the influence of alcohol or drugs while on duty.
6. Suspension of driver's license where job duties require driving or other failure to meet the Mohican Nation Insurance driver eligibility requirements.
7. Failure to maintain any required licenses or certifications.
8. Careless, negligent, or improper use of Tribal property, equipment or funds, including unauthorized removal or use for private purposes, use involving damage, or unreasonable risk of damage to property.
9. Unauthorized release of confidential information or official records.
10. Misuse of authority of position for personal gain.
11. Embezzlement or misappropriation of funds or property of the Stockbridge-Munsee Community.
12. Any other actions considered inappropriate or detrimental to the employee working environment.

TYPES OF CORRECTIVE ACTION

Except as otherwise noted herein and depending on the nature of circumstances of an incident, corrective action will normally be progressive and bear a reasonable relationship to the violation. Corrective action is designed to be remedial and not punitive wherever possible. However, depending on the severity of the incident(s), corrective action may not always be progressive. Corrective actions, including termination of employment procedures, do not create any separate legal rights.

Corrective actions are normally administered by the supervisor or manager of the employee; except that when the supervisor and the employee are family members, the supervisor may request another supervisor to assist with the corrective action. It is required that Human Resources be consulted before any corrective action step is taken. The following are the types of corrective actions normally used by the Tribe for conduct issues in relation to attendance, behavior, and performance.

Corrective actions will be addressed by the employee's direct supervisor within 15 working days of the direct supervisor becoming aware of an employee's unacceptable conduct. This timeframe may be extended for an additional 5 working days if additional time is needed to investigate, but the direct supervisor should make all reasonable efforts to act in a timely manner.

Approved by Tribal Council July 5, 2017

1) First Written Corrective Action

A first (1st) written corrective action is written documentation by the supervisor to an employee pointing out unsatisfactory conduct by the employee. The documentation for this corrective action should outline the area of needed improvement, set up goals for the achievement of improvement, and inform the employee that failure to improve may result in more serious actions. The corrective action shall be placed in the employee's personnel file after sharing the written documentation with the employee and making an effort to discuss the action with the employee.

2) Second Written Corrective Action

The second (2nd) written corrective action is used when the employee has continued unsatisfactory conduct or a pattern of unsatisfactory conduct. A 2nd written corrective action may also be the first level of corrective action depending on the severity of the incident(s). The documentation for this corrective action should identify the area of needed improvement, set up goals for the achievement of improvement, and inform the employee that failure to improve may result in more serious actions. The corrective action shall be placed in the employee's personnel file after sharing the written documentation with the employee and making an effort to discuss the action with the employee.

3) Suspension Corrective Action

This is usually the third level of corrective action resulting from continued unsatisfactory conduct or a pattern of unsatisfactory conduct. A suspension corrective action may also be the first level of corrective action depending on the severity of the incident(s). The corrective action shall be placed in the employee's personnel file after sharing the written documentation with the employee and making an effort to discuss the action with the employee.

Disciplinary suspensions are normally unpaid and may vary in length of time, depending upon the situation. The employee's immediate supervisor, with the review and approval of the Department Manager and Human Resources, may suspend employees for up to five (5) working days. However, unpaid disciplinary suspensions may be up to ten (10) working days, as warranted by the situation and require approval by Human Resources, Department Director, Casino General Manager, or Tribal Council, as applicable.

During the suspension, an employee is not allowed in the work area and must return any Stockbridge-Munsee Community property including (but not limited to) keys, identification, phones, pagers, radios, or vehicles.

Under certain circumstances it may be necessary to suspend an employee immediately. These circumstances usually involve potential danger to the employee, co-workers, the public, or the employee's inability to discharge assigned duties satisfactorily. Because of the need for immediate action, the decision to suspend an employee is typically the responsibility of the immediate supervisor. The supervisor must consult with their Department Manager and Human Resources as soon as reasonably possible to document the corrective action taken and to review the circumstances.

In no event will the use of the paid time off or holiday pay be allowed during a period of suspension without pay. Should a holiday occur during a period of suspension without pay, the

suspension period may be extended by the number of holiday days occurring during the suspension period.

Suspensions may be with pay pending determination by the Department Manager and, as appropriate, the Department Director, Casino General Manager, or Tribal Council, and Human Resources.

4) Suspension Pending Termination of Employment

This is usually the final level of corrective action resulting from continued unsatisfactory conduct or a pattern of unsatisfactory conduct. A suspension pending termination of employment may also be the first level of corrective action depending on the severity of the incident(s). The suspension and its resolution (either termination of employment or return to employment) are considered once action. The corrective action shall be placed in the employee's personnel file.

Suspensions pending termination of employment are normally unpaid and for five (5) working days. The employee's immediate supervisor, with the review and approval of Human Resources, may suspend the employee. However, suspensions may be up to ten (10) days, as warranted by the situation and require approval by Human Resources and Department Director, Casino General Manager, or Tribal Council, as applicable.

During suspension pending termination of employment, a review of the recommended termination will occur. Human Resources and the supervisor/manager will review the Employment Manual's "Conduct and Corrective Action" section, the employee's personnel file, and/or conduct interviews. The Legal Department may be consulted for possible legal issues, as appropriate.

Employee Response

Within three (3) full working days of effective date of the suspension, the employee may submit a written or verbal statement to Human Resources regarding the suspension pending termination of employment or any other relevant issues, particularly regarding why they believe they should not be suspended or terminated and any evidence they may have to support their position. Human Resources may inform the employee of the process for submitting their statement and/or evidence; however, Human Resources may not assist the employee with identifying or drafting the content of the statement and/or evidence. In order to complete the review within the suspension period, written and verbal statements must be received by Human Resources by the end of the third full working day of the suspension pending termination of employment.

Termination of Employment

The documentation on the termination of employment, including any employee response and the supervisor's recommendation, must be reviewed and authorized by the senior management personnel in the chain of command, such as the Department Director or Casino General Manager. The Tribal Council will only review and authorize the action in relation to Council-supervised employees. If the employment is terminated, the employee will be provided with written notice.

GRIEVANCE PROCESS (revisions approved 7/5/2017)

The Stockbridge-Munsee Community believes in open communication. If an employee has concerns, management wants to be informed in order to address the issue. The management team (consisting of upper management and supervisors-employees' direct supervisor) must listen and respond in a timely manner to employee concerns and issues. The management team and employees should be motivated to resolve the issue or concern in a mutually agreeable and respectful manner. In most cases, an employee will get satisfaction by discussing the matter with his/her supervisor.

However, we recognize that not all issues will be satisfactorily resolved in this manner. The Tribe therefore provides employees with a formalized opportunity to present their grievances that cannot be resolved informally. The employee shall follow the grievance process where grievances are filed with the employee's supervisor.

The Tribe will attempt to promptly resolve employee grievances. Employees must notify Human Resources in a timely fashion of the grievance and what process the employee wants to use to resolve it. As used in this portion of the Employment Manual, the terms "timely fashion," "reasonable time," and "promptly" generally will mean within five (5) working days of the incident giving rise to the complaint.

Information concerning employee grievances shall be kept confidential to the extent possible. Persons investigating a complaint may discuss it with only those individuals who need to know about it or need to supply necessary information.

Time spent by employees discussing the grievance with supervisors during their normal working hours will be considered hours worked. Employees must use their own time to prepare grievance documentation.

Employees will not be penalized for proper use of these processes. However, it is not considered proper use if an employee raises complaints in bad faith or solely for the purposes of delay or harassment or repeatedly raises merit-less disputes. Implementation of these processes does not limit the Tribe's right to proceed with proper disciplinary actions.

What Can Be Grieved?

The following are matters that are appropriately considered through the grievance process.

- a. A violation of the Employment Manual. As part of the initial grievance complaint, the EMPLOYEE MUST: 1) Identify which provision of the manual has been violated by page and section number; and 2) provide supporting evidence of alleged violation.

- b. A direct violation of the employee's basic terms and conditions of employment. As part of the initial grievance complaint, the EMPLOYEE MUST: 1) Identify which terms and conditions have been violated (i.e., pay, PTO, Scheduling, benefits, evaluations); and 2) provide supporting evidence of alleged violation.

The grievance process is intended to be used to address issues or work conditions that are under the control of the supervisor. It is not appropriate to use the grievance process to challenge decisions made by the Tribal Council, such as in relation to organization structure and wage

scales. The Tribe reserves the right to refuse to proceed with the grievance process for disputes that do not fall under this policy.

Complaints about sexual harassment or other harassing conduct are not submitted as part of the grievance process, but rather need to be submitted to Human Resources to be addressed under Section 4, Anti-Harassment Policy.

The grievance process does not supersede management's ability to address issues as they arise.

Grievance Process

The Tribe normally uses a two (2) step grievance process. However, the grievance process for employees supervised by Council-supervised employees is a one (1) step process and Council-supervised employees have a special two (2) step grievance process.

If a supervisor at any level does not respond to the grievance within the required time frame and the triggering event was a corrective action, that corrective action will be invalidated. In addition, Human Resources shall notify the supervisor's supervisor that a grievance was not responded to in a timely fashion for appropriate corrective action.

The decision at the end of the grievance process is final unless the basis for the grievance is also a violation of a guaranteed employee right that can be appealed in Tribal Court under Chapter 53.

Normal 2-Step Grievance Process

Step 1. The employee files his or her grievance with the immediate supervisor (with a copy provided to the Human Resources Department), by completing the Employee Grievance Review Form. This grievance shall identify the employee's concern and must be filed within 5 working days of the action being grieved. The supervisor has 5 working days to respond in writing.

Step 2. If the employee is not satisfied with the response, the employee can, within 5 working days of the response, grieve the concern to the supervisor's supervisor (with a copy provided to the Human Resources Department), by forwarding the form. The employee should note that they were not satisfied with the first response or that they did not receive a response. The supervisor's supervisor has 10 days to respond in writing.

Grievance Process for Employees Directly Supervised by the Tribal Council

Step 1. The employee files a completed Employee Grievance Review Form (with a copy provided to the Human Resources Department) with his or her day-to-day Liaison. The grievance shall identify the employee's concern and must be filed within 5 working days of the action being grieved. The Liaison has 10 working days to respond in writing.

Step 2. If the employee is not satisfied with the response or there is no response, then the employee may grieve to the full Tribal Council by forwarding the Employee Grievance Review Form (with a copy provided to the Human Resources Department). The employee should note that they were not satisfied with the first response or did not receive a first response. The Tribal Council shall meet with the employee within 15 working days to try and resolve the

grievance. The Tribal Council shall document its decision in writing and provide a copy to the employee within 5 working days of the meeting with the employee.

Grievance Process for Employees Supervised by Council-Supervised Employees

The employee files a completed Employee Grievance Review Form (with a copy provided to the Human Resources Department) with the Employee Relations Representative. The grievance shall identify the employee's concern and must be filed within 5 working days of the action being grieved. The Employee Relations Representative has 15 working days to respond in writing. The Employee Relations Representative shall document its decision in writing and provide a copy to the employee and a report to Tribal Council within 5 working days of meeting with the employee.

Even if the employee is dissatisfied with the response, the employee may not grieve to their supervisor's supervisor since that would be a grievance to the Tribal Council, which is not permitted.

Tribal Council approved March 21, 2017

Grievance Process When Employment Has Been Terminated

The employee files a completed Employee Grievance Review Form (with a copy provided to the Human Resources Department) with the Casino General Manager. The grievance shall identify why they believe their employment should not have been terminated and any evidence they may have to support their position. The grievance must be filed within 5 working days of the employment being terminated. The Casino General Manager has 10 working days to respond in writing.

EMPLOYEE RIGHTS ORDINANCE

The Stockbridge-Munsee Community has an Employment Rights Ordinance, Chapter 53 of Stockbridge-Munsee Tribal Law, which recognizes and seeks to ensure that the Tribe's employees enjoy a stable working environment and that their rights are protected. Employees have a right to seek legal protections in Tribal Court as provided for under law.

**SECTION 8
SAFETY**

The Stockbridge-Munsee Community is committed to the safety of its employees and its property and equipment. To this end, we will utilize a safety program in our daily activities. Any employee who disregards any safety rule and/or regulation is subject to corrective action including termination of employment.

Safety rules are to be observed by all employees at all times. With regard to these rules, the following will be considered standard procedures for all employees:

- Should a safety regulation be modified so that an employee's safety is jeopardized, the employee should inform their immediate supervisor.
- In any situation where a supervisor has asked an employee to perform a task or engage in any activity that appears to jeopardize employee safety, employees may state their

concern and refuse to perform said activity until such time as the safety issue is addressed.

Employees' decisions should always be guided with a commitment to safety. Should a hazardous situation or condition exist, and a decision has to be made on safety or production, safety concerns should always take precedence over production.

It is management's responsibility to see that every employee at the Stockbridge-Munsee Community is provided with safe working conditions, all safety regulations are observed, and employees use good common sense to protect themselves as well as others. Management will periodically inspect working conditions and may suspend all work activity until an unsafe condition is corrected.

The most important part of safety is you. It is your responsibility to abide by the safety rules – these rules are made for your protection. Report all dangerous conditions and practices to your immediate supervisor. Employees must promptly report all accidents, injuries, or illnesses that occur while at work, in accordance with Chapter 52, the Stockbridge-Munsee Worker Compensation Ordinance. The Incident Report form should be used for reporting this information.

Please see the Operations Manuals for your division and/or facility policies for any special rules pertinent to your job. Remember that rules are not intended as a substitution for common sense and good judgment.

HAZARDOUS WASTES

Certain chemicals and chemical groups are classified into categories, which have been defined as toxic. This means that in concentrated forms or by accumulating and combining with other chemicals (even the air), these chemicals can be hazardous to human health if exposure occurs.

The Stockbridge-Munsee Community is committed to not creating or improperly disposing of hazardous wastes that will contaminate the environment. We will choose materials that have been judged as non-hazardous whenever possible and will properly dispose of hazardous materials if used. Also, we will not knowingly dump any hazardous wastes into the environment at any time.

We will inform employees how to control hazardous wastes and what to do if they are exposed to hazardous wastes. Material Safety Data Sheets on the hazardous materials are available for employees to review. If any employee suspects that the wastes he/she may encounter as an employee are hazardous (whether or not they are being created or used by the Stockbridge-Munsee Community), he/she should inform the Public Safety Department immediately.

- DO NOT TAKE CHANCES
- BE ALERT TO HAZARDOUS WASTES
- KNOW HOW TO PROPERLY DISPOSE OF HAZARDOUS WASTES
- DIRECT ANY QUESTIONS TO THE PUBLIC SAFETY DEPARTMENT

SECTION 9 TRANSPORTATION AND TRAVEL EXPENSE

The following information is intended to provide guidance regarding travel and use of Stockbridge-Munsee vehicles. The Stockbridge-Munsee Travel Policies and Procedures provide the general rules that apply to official travel and should also be consulted.

MOTOR VEHICLE RECORD INQUIRY

Prospective and current employees expected to drive Tribal vehicles must provide current and acceptable motor vehicle driving information. Employment and assignment will be conditional pending the receipt of a satisfactory report from the Wisconsin Department of Transportation, Division of Motor Vehicles or other relevant agencies and organizations. The employee must meet the driver acceptability guidelines as established by Mohican Nation Insurance.

USE OF TRIBAL VEHICLES

Vehicles and other modes of motorized transportation belonging to the Stockbridge-Munsee Community are Tribal property. Such property should only be used by authorized employees and only for authorized activities related to carrying out the employee's job duties.

Employees are required to drive the Stockbridge-Munsee Community vehicles within speed limits and obey all applicable laws. Employees using Tribal property for unauthorized activities will be subject to disciplinary action up to and including termination of employment.

All vehicles of the Stockbridge-Munsee Community will be housed on a designated site. Mohican Nation Insurance will be informed of these locations.

PERSONAL VEHICLES

Employees may use their personal vehicles on official Stockbridge-Munsee Community business provided prior approval has been obtained from the department manager. A mileage rate based on the current U.S. Internal Revenue Service standard mileage rate will be paid to an employee who uses his/her personal vehicle on official business. This mileage reimbursement is to compensate for the cost of gasoline, oil, depreciation, and insurance. Minimum insurance requirements as specified by the insurance carrier for the Stockbridge-Munsee Community must be in effect at the time the employee's personal vehicle is used and the employee may be required to provide the appropriate proof of insurance. Every effort should be made to ensure that the use of an employee's personal vehicle would not exceed the cost of public transportation or rental vehicles.

GENERAL RULES FOR USE OF VEHICLES

Before an employee uses a vehicle for work purposes, the employee must meet the Tribe's driver eligibility standards. The Tribe will check the employee's driving record, verify the existence of a valid driver's license and personal auto liability insurance coverage, and make certain that the employee is eligible for coverage under Stockbridge-Munsee Community insurance. Employees will be reviewed annually to ensure that they maintain driver eligibility.

Employees who drive a vehicle on Stockbridge-Munsee Community business must, in addition to meeting the approval requirements above, exercise due diligence to drive safely and to maintain the security of the vehicle and its contents. Drivers also must make sure that the vehicle meets any Stockbridge-Munsee Community or other applicable legal standards for insurance, maintenance, and safety. Employees driving a tribal vehicle shall also make sure that the vehicle is kept clear and free of litter. Employees are not permitted to operate a tribal vehicle, or a personal vehicle on tribal business, when any physical or mental impairment causes the employee to be unable to drive safely. Employees are responsible for any driving or parking infractions or fines that result from their driving during work-related business and must report them to their department manager.

Employees must report any accident, theft, damage, breakdown, or mechanical problem involving a tribal vehicle, or a personal vehicle used on tribal business, to their department manager and Mohican Nation Insurance. These reports must be made as soon as possible, but no later than 48 hours after the incident. Employees are expected to cooperate fully with authorities in the event of an accident.

TRAVEL ADVANCE, LIVING EXPENSE ALLOWANCE, AND OTHER TRAVEL EXPENSES

Employees that travel for work will be eligible for travel advances, living expense allowances, and other travel expenses, as appropriate. Refer to the Travel Policies and Procedures for additional information.

AMENDMENTS TO THIS EMPLOYMENT MANUAL

This Employment Manual is subject to change. Be sure to keep information regarding any changes to the Manual that you receive.

The Human Resources Department will furnish employees with information regarding any changes and/or amendments to the Employment Manual. Any such changes or amendments will be posted 14 days for review and comment before approval. The Tribal Council must approve any changes and/or amendments to this Employment Manual.

ACKNOWLEDGEMENT OF RECEIPT AND UNDERSTANDING
